We the undersigned ask that Southend Borough Council review the parking and traffic flow on School Way, running up to Blenheim Primary School, to make it safer for children making their way to school.

We ask that the council considers (in no particular order):

1. School keep clear markings on the east side of School Way;
2. Double yellow lines on the east side of School Way;
3. Single yellow line on the east side of School way, with the same restrictions as the west side; and
4. The installation of bollards on the west side of School Way, preventing cars from dangerously mounting the pavement to pass other cars.
