John has undertaken internal audit roles in a number of organisations and currently works as Head of Assurance, covering internal audit and risk management, in the public sector. He also leads external quality assessments of internal audit functions in private, public and third sector organisations, reviewing both the effectiveness of internal audit and its adherence to the international standards for the professional practice of internal auditing.

John has a valuable perspective on the quality of internal audit and assurance because of his extensive experience as a freelance internal audit consultant, delivering a variety of training and internal audit engagements for a variety of clients.
