

Hi Theo,

This is what we are wanting to change our application to.

* Live amplified music to be only on Wednesdays though out the 6weeks summer holiday, and between may-September 3 times a month either a Saturday or Sunday. All of above played for a maximum of 4hours between 12-5pm

* Acoustic music performed no more then 2/3 times a week though out the year consisting of guitar/ saxophone etc none amplified instruments with singers. To be performed between 11am-8pm for a maximum of 4hours on our designated areas inside & out.

* Alcohol licence is to stay the same as what has been put down on the application with no changes made.

Hope that's all clear for you, if you could let me know.

Thanks
Nathalie.
