

Council – 5th September 2024

Notice of Motion:

Revised Process for Development Control Committee

Currently at development control meet, a councillor who is not on the development control committee may speak with the chairman's permission for 5 minutes and then not take part.

Very often the committee members quote incorrect information but the councillor who has spoken for 5 minutes is not permitted to point out any errors or speak to member of the committee pointing out mistakes.

The notice of motion requests the process at development control is revised to

A councillor who is not on the committee speaks for up to 5 minutes. The committee members ask questions or make statements as existing.

After the questions or statements by development control committee members, the councillor who has spoken for 5 minutes and is not on the committee may if required be allowed if they wish to speak for 3 minutes to point out any incorrect information only.

The development control committee member will then go onto comments.

Proposed: Cllr Aylen

Seconded: Cllr Murphy
