

Cabinet – 16th September 2024

Minute 26: Southend-on-Sea City Council Refreshed Corporate Plan 2024-2028

The Cabinet considered a report of the Executive Director (Strategy and Change) presenting the Council's refreshed Corporate Plan for 2024-2028.

Recommended:

That the Corporate Plan for 2024-28, as set out in Appendix 1 to the submitted report, be approved and that the Chief Executive, in consultation with the Leader of the Council, be authorised to make any final changes prior to publication.

Reason for Recommendation:

To ensure the Council has a robust strategic plan that clearly articulates the priorities for the organisation, enabling efficient use of resources.

Other Options:

None. There is no requirement to have a Corporate Plan, but it is best practice (as set out in the Best Value Guidance) and provides an essential guide to set the direction for our work towards a set of common goals.
