### Summary of Consultation Responses to the Draft Gambling Policy.

Respondent	Response	Licensing Authority comments	Change policy?
1. Environmental Health	Supports the policy in it's entirety	No	No
2. Southend Multi Faith Forum	Would like to see all staff in premises where children have access to be required to have an enhanced Criminal Records Bureau Check.	The draft policy makes provision for a basic CRB check to be demanded at 25.2 and 27.1. The bulk of premises where children have access to are public houses. To require enhanced checks would go beyond the requirements set out by the Government in the Licensing Act 2003, which only requires standard checks for some staff.	No
