

SUMMARY OF OVERALL INFORMATION ON ALL QUESTIONNAIRES

Please note the following: - Not all people chose to complete all parts of the questionnaires.

- 77 respondents for the On-line questionnaires
- 134 respondents for the Easy Read version
- Variable response from staff as there was some written soft data as well

Please note where there was a high % rate with no response; this will have been from Service Users as the question did not affect them.

On Line Questionnaire - Responses 77 Respondents
