

SAVE HAMSTEL CHILDREN'S CENTRE

We, the undersigned, petition Southend Borough Council to keep Hamstel Children and Families Centre open, maintaining its current level of funding.

As part of a proposed 16% cut to children's centre services across the borough, Southend Council have proposed merging Hamstel Children's centre and Temple Sutton Children's centre, closing one of the two sites.

Hamstel Children's Centre is a purpose built centre and is the larger of the two sites offering a wider range of facilities and services. Hamstel Children's Centre provides vital support to many families in the local area who would be unable to access services at the Temple Sutton site. We therefore petition Southend Borough Council to retain Hamstel Children's Centre.

The local authority is going out to further consultation in connection with the provision of Children's Centres in Southend-on-Sea, which may result in the closure of our Children's Centre which is used by many families in the area.

Please sign below if you wish to register your support to keep our 'outstanding' Children's Centre open.
