3	Oct 12	Cllr Lamb	Implement 1 hour parking prohibition Marine Parade and Marine Close	There are currently waiting restrictions along one side of the road. The proposal is to introduce one hour restriction on the other side to deter commuter parking. Whilst on its own it does not meet the agreed waiting restriction criteria, Members may wish to consider this as part of other initiatives for Chalkwell and Leigh in order to consider an holistic approach to the area.
4	Oct 12	Cllr Lamb	Highlands Boulevard, install junction protection on all junctions leading onto Boulevard.	This location does some elements of the criteria as it is a busy road and subject to high traffic volumes at peak times. Hence the proposal is recommended.
