comments/recommendations**

<b><u>Ref No.</u></b>	<b><u>Site</u></b>	<b><u>Objection/Support</u></b>	<b><u>Recommendation</u></b>
1	Eastern junction of Mendip Crescent with Prince Avenue	Objections received from no. 4 Mendip Crescent (a). As a disabled driver DYL would reduce the number of places available to park at the moment.	To implement the DYL as proposed. We have received a disabled bay application and referred the application onto South Essex Homes and Occupational Health to get a driveway installed and a proportion of the front garden to be converted, as there is sufficient room on the property to park a vehicle.
