Agenda
Item No.

**Traffic Regulation Orders – Requests for New or Amended Restrictions
Various Areas
Portfolio Holder – Councillor Anna Waite
A Part 1 Public Agenda Item**

1. Purpose of Report

For the Traffic and Parking Working Party to consider a request to advertise various waiting restrictions in various areas of the Borough.

2. Recommendation

2.1 That the Traffic and Parking Working Party note the proposals.

2.2 That the Cabinet Committee approves the advertisement of the waiting restrictions at the locations detailed in Appendix 1 and further agree that in the event of there being no objections to the proposals, the Traffic Regulation Order be confirmed. Any locations subject to objections will be referred to this meeting for consideration.

3. Background

3.1 Complaints/requests regarding various areas are received from residents, Members and the emergency services. Officers inspect each location and where there is likely to be a danger or perceived danger, progress the request to a formal proposal.

4. Other Options

4.1 No action on requests received. This option is not viable, all locations raised as a concern are inspected by Officers to provide a professional opinion as to any perceived safety or traffic flow concern. Where the concern is supported, proposals to restrict parking are instigated. Where Officers do not agree that a perceived safety or traffic flow problem exists, no further action is taken.

5. Reasons for Recommendations

5.1 To improve road safety and traffic flow at the locations detailed in Appendix 1.

6. Corporate Implications

6.1 Contribution to Council's Vision & Corporate Priorities

The proposal is based on a reduction of potential traffic hazards therefore resulting in safer roads.

6.2 Financial Implications

Traffic Regulation Orders require formal advertisement which has to be undertaken and will be funded through the existing budgets.
