

Traffic & Parking Requests**Appendix 1**

Ward	Junction	Problem
Belfairs	Rayleigh Drive with Elmsleigh Drive	Visibility significantly reduced to the number of parked cars close to the corner.
Belfairs	Eastwood Old Road with Ashcoombe Close	Concerned with level of parking as busy bus route.
Belfairs	Woodside with Eastwood Old Road/Sharp bend of Woodside	Concerned that vehicles are parked on sharp bend and on the junction with Eastwood Old Road. Would like parking restrictions put in as feels the sites are dangerous.
Belfairs	Braemar Crescent junction highlands boulevard	visibility problems caused by larger vehicles
Belfairs	Mountain Ash Close and its junction with Woodside	Vehicles parking in the close are obstructing access for refuse vehicles and would do for emergency vehicles. Wish to see parking restrictions introduced.
Blenheim Park	Fostal Close	Request DYL introduced on all sections of the close to prevent obstructive parking.
Blenheim Park	Treelawn Drive with Mountdale Gardens and Treecot Drive	No junction protection which is causing vehicles to park obstructively making it difficult to manouvre.
Blenheim Park	Treelawn Drive northwest bend	Vehicles parking on this corner which creates a blind bend.
Chalkwell	Kings Road with Drake Road	visibility difficulties
Chalkwell		
Chalkwell	Kings Road and Drake Road	Members request.
Chalkwell	Kings Road and Seymour Road	Members request.
Chalkwell	Chadwick Road with Galton Road	Members request.
Eastwood Park	Bramble Road with Musket Grove	Concerned that vehicles parked on the junction are reducing visibility.
Kursaal	Jetty Mews & Collier Way with Victoria Road	Vehicles parking on the junctions which causes restriction in visibility when emerging from the junction.
Milton	St Helens Road with Preston Road	Carry the SYL all the way up to the build-out as problems with vehicles parking and obscuring visibility.
Southchurch	Riveria Drive with Chinchilla Road	No DYL on junction. Vehicles are causing an obstruction.
St Lukes	Eastern Avenue Slip-Road	Vehicles parking on the bend where there are no DYL's. Feels this is dangerous and causing an obstruction.
St Lukes	Lonsdale Road with Trinity Avenue	No DYL on junction. Vehicles are causing an obstruction.

West Leigh	Gordon Road with Bailey Road	Cars parked on and opposite the junction which causes visibility and manouvability issues.
West Leigh	Medway Crescent with Darenth Road	Problems caused by too many vehicles. No passing places for opposing directions of traffic. Vehicles parked up close to the junctions.
West Shoebury	Church Road with Pentland Avenue	Vehicles parking on and opposite junction obscuring visibility.
West Shoebury	Ness Road with private road (fronting no 125)	Vehicles park on junction and access route which causes problems with both visibility and access.
Eastwood Park	Boleyn Close junction with Tudor Road	parking at and opposite junction creating access and visibility problems
Eastwood Park	Bowman Avenue junction Cornec Chase	parking at and opposite junction creating visibility problems
