

No	Location	Summary of Comments	Officer Comment
1	Trecot Drive	Supports restrictions on junction.	
2	Chinchilla Road	Supports restrictions but concerned parking may encroach over driveway.	We have advised that we are able to enforce driveway parking on complaint.
3	Treelawn Drive	Supports restrictions but would like restrictions extended due to narrow road.	We are able to extend after re advertising – suggest we implement lines and advertise extension with next programmed advertisement .
4	Fostal Close	Support from several residents and requests to increase the restrictions.	Suggest lines are implemented and advertise extension with next programmed advertisement.
5	Church Road	Support from 2 residents.	
6	Mountain Ash Close	Support from all residents of the close Objection from Ward Councillor.	Agree to implement lines to prevent parking on junction and on footways
7	Ness Road	Support from residents .	
8	Braemar Crescent	Support from resident.	
9	Cornec Chase/Bowman Avenue	Objections from substantial number of residents.	Bowman Avenue is very narrow and vehicles park half on the footway on both sides of the road. There are concerns that emergency access may be impeded and suggest that at least one side of the road is restricted to allow for adequate access. The proposal for restricting the turning head and the access to the garage area in Cornec Chase is recommended not to proceed.
10	Ashcoombe Close and Eastwood Old Road	Objection from Ward Councillor	Proceed with proposal for safety reasons

Various Areas Comments – February 2010

Appendix 1
