Problem
Vehicles parking on the bend where there are no DYL's. Feels this is dangerous and causing an obstruction.
No DYL on junction. Vehicles are causing an obstruction.
Cars parked on and opposite the junction which causes visibility and manoeuvrability issues.
Problems caused by too many vehicles. No passing places for opposing directions of traffic. Vehicles parked up close to the junctions.
Vehicles parking on and opposite junction obscuring visibility.
Vehicles park on junction and access route which causes problems with both visibility and access.
Parking at and opposite junction creating access and visibility problems.
Parking at and opposite junction creating visibility problems.
Parking at and opposite junction creating visibility problems
Vehicles parking opposite junction impeding bus movement.
On bend by school - narrow road access difficulties
Parking at junction impedes visibility
Visibility significantly reduced to the number of parked cars close to the corner.
Concerned with level of parking as busy bus route.
Concerned that vehicles are parked on sharp bend and on the junction with Eastwood Old Road.
Concerned that vehicles are parked on sharp bend and on the junction with Eastwood Old Road.
visibility problems caused by larger vehicles
Vehicles parking in the close are obstructing access for refuse vehicles and would do for emergency vehicles.
Request DYL introduced on all sections of the close to prevent obstructive parking.
No junction protection which is causing vehicles to park obstructively making it difficult to manoeuvre.
Vehicles parking on this corner which creates a blind bend.
Members request. Back Roads Only
Members request. Back Roads Only
Members request.
Concerned that vehicles parked on the junction are reducing visibility. 9-5 Daily
Vehicles parking on the junctions which causes restriction in visibility when emerging from the junction. 5m Only
Vehicles parking on the junctions which causes restriction in visibility when emerging from the junction. 5m Only
Vehicles parking on the junctions which causes restriction in visibility when emerging from the junction. 5m Only
Carry the SYL all the way up to the build-out as problems with vehicles parking and obscuring visibility.
No DYL on junction. Vehicles are causing an obstruction.
