|------------------------------|------------------------------|--|--|
| 8                            | Letter                       | SUPPORT  |  |
| 9                            | Letter                       | <p>OBJECTION:</p> <p>Objecting to the proposed relocation of the bus stop on the northerly side of Eastwood Road North on the following grounds:</p> <ul style="list-style-type: none"> <li>• Fear that they would be unable to sell their property</li> <li>• Garden wall would be damaged by people sitting on it</li> <li>• Would create a hazard for driver's turning east from Oakwood Avenue into Eastwood Road North if a bus is stood at the stop</li> <li>• Increased litter on the front of the property</li> <li>• No parking available for the shops or residents</li> <li>• Would like a vehicular crossing to their property, but bus stop would prevent this</li> </ul> | <ul style="list-style-type: none"> <li>• The relocation of the bus stop would include a shelter with a seat</li> <li>• Buses only stop momentarily to set down and pick up, so the perceived hazard would be minimal</li> <li>• A litter bin can be provided</li> <li>• The scheme will lose approximately 3 car parking spaces to the west of the existing bus stop, 2 of which would have been lost anyway with the introduction of a bus clearway, planned in the near future. There remains parking available both to the east and west of the proposed crossing.</li> <li>• The property has no vehicle entry points – the frontage is bounded by a brick wall with a pedestrian entrance gate at each end. There are unauthorised vehicles frequently parked on the footway in the vicinity of the property, creating obstructions to partially sighted pedestrians and increasing the risk of conflict between road users and pedestrians.</li> </ul> |
