

## London Road – Appendix 1

<b>Road</b>	<b>Proposal</b>	<b>Comment</b>	<b>Response</b>
London Road	Implement limited waiting restriction	Staff unable to park – parking in side streets would annoy residents and in bad weather, the side streets are not useable  Some clients stay longer than 1 hour  Small businesses are struggling and the restriction will not assist them	Parking turnover would benefit a number of businesses  All day parking would still be available outside of the cemetery and from Flemming Avenue westwards
