## APPENDIX 1 – TRO CHANGES/WAITING RESTRICTIONS REQUESTS

Location	Request Details	Request ed By	Relevant Criteria Points	Officer comments
St Vincents Road	Propose Permit Parking Controls as an addition to the Cliffs Pavilion Area	Member	NA.	<p>Residents surveys indicate 70% response with 76% of these responses in support of parking controls</p> <p><b>Recommend to advertise the proposal to include this street within the Cliffs Pavilion Area and that any objections be reported back to the Working Party and Cabinet Committee for consideration and note that, if approved, the proposals will not be implemented until the outcome of the consultation on the other roads in the area. (This would mean the street would be included in the PMS regardless if the other roads did not want it)</b></p>
