## SUPPLEMENTARY REPORT

**Pages 7-72**

**425 - 427 Sutton Road (Victoria)**

**Section 9(b)**

**Recommendation**

**Condition 11**

Condition 11 stipulates working times for construction are limited to 08:30 to 18:00 Mondays to Fridays and 08:00 to 13:00 on Saturdays, and not at any time on Sundays or Bank Holidays. The reason for this condition is to protect the amenities of surrounding occupiers. The agent requests working times for construction are changed to an earliest time of 07:30 as a later start time is not viable. They note that the conditions to the development neighbouring to the south, which included application 16/01503/FUL, allowed construction hours beginning at 07:30. Environmental Health have further commented that the normal earliest time is 08:00. Environmental Health object to a start time of 07:30, noting the scale and context of the development. In light of this, it is considered reasonable that the condition is altered to:

*Demolition or construction works of the development hereby approved shall not take place outside 08:00 to 18:00 Mondays to Fridays and 08:00 to 13:00 on Saturdays nor at any time on Sundays or Bank Holidays.*

#### Section 4

#### Consultation

##### Response from **Shoebury Residents Association:**

- The current proposal for reserved matters is accepted but the original conditions should be maintained unchanged.
- Surface water flooding also needs to be considered - this was not considered in the original flood risk assessment.

#### Section 8

#### Recommendation

##### Condition 01

Condition 01 requires the development to be commenced within 3 years of the date of the reserved matters decision but this condition is unnecessary because timescales for commencement are covered by condition 01 of the outline permission which states:

*'01 Details of the appearance, layout and scale (hereinafter called the "reserved matters") shall be submitted to and approved in writing by the Local*

*Planning Authority before any development begins and the development shall be carried out as approved under the reserved matters. Application for approval of the reserved matters shall be made to the Local Planning Authority not later than 3 (three) years from the date of this permission. The development hereby permitted shall begin not later than 2 (two) years from the date of approval of the last of the reserved matters to be approved.*

*Reason: Required to be imposed pursuant to Section 92 of the Town and Country Planning Act 1990 (as amended) and because the application is for outline planning permission only and the particulars submitted are insufficient for consideration of details mentioned.'*

It is therefore proposed to delete condition 01 of the reserved matters application and renumber the remaining conditions accordingly.
