7. Representations Summary

Since the Agenda was published an additional neighbour comment has been received which makes the following summarised points:

- The notice provided of the Committee meeting is too short and further time should have been provided. I am unable attend.
- The demolished site is a blot on the landscape.

[Officer Comment: The notification of the Committee was undertaken in accordance with the Council procedures contained within the Constitution]

1. The Proposal

In paragraph 1.2, describing the layout, the two references to “south” are incorrect and should each state “north”.
