Resolved:-

That the Minutes of the meeting held on Thursday, 2nd November 2017 be received and confirmed as a correct record.

4 Objections to Traffic Regulation Orders

The Working Party received a report of the Deputy Chief Executive (Place) that appraised Members of the representations that had been received in response to the statutory consultation for proposed Traffic Regulation Orders in respect of various proposals within the Borough.

The report also sought an appropriate recommendation to the Cabinet Committee on the way forward, after having considered of all the representations that had been received in writing and at the meeting.

With reference to the proposed introduction of a shared taxi rank and pay and display parking in Lucy Road, the Working Party was informed that the taxi rank currently marked in Lucy Road had been removed in 2006 (Minute 1121 of the meeting of Licensing Sub Committee C held on 13th February 2006 refers). Any requests to re-introduce a taxi rank at this location would be a matter for the Licensing Committee to consider and determine.

Resolved:

That the Cabinet Committee be recommended:

1. That the Deputy Chief Executive (Place) be authorised to arrange for the Southend-on-Sea Borough Council (Various Roads) (Stopping, Waiting, Loading and Unloading Prohibitions and Restrictions, Parking Places and Permit Parking Zones) (Consolidation) Order 2016 (Amendment No. 16) Order 2017 to be confirmed as advertised and for the proposals to be implemented.

2. That the Deputy Chief Executive (Place), in consultation with the Chairman of the Licensing Committee, be requested to expedite the commencement of the statutory consultation process and necessary arrangements for the introduction of a taxi rank in Lucy Road on the northern kerbline from a point 19 metres east of its junction with Herbert Grove to a point 38 metres west of its junction with Seaway (southern section), the hours of operation of which to be 10.00 p.m. until 9.00 a.m.

3. That, subject to the satisfactory outcome of the request to introduce a taxi rank in Lucy Road referred to in resolution 2 above, the Deputy Chief Executive (Place) be authorised to arrange for the Southend-on-Sea Borough Council (Various Roads) (Stopping, Waiting, Loading and Unloading Prohibitions and Restrictions, Parking Places and Permit Parking Zones) (Consolidation) Order 2016 (Amendment No. 18) Order 2017 to be confirmed with the following amendment and for the proposals to be implemented: - The time the taxi rank shall be in operation to be reduced from 6.00 p.m. until 9.00 a.m. to 10.00 p.m. until 9.00 a.m.

4. That, in the event that the taxi rank does not proceed following the statutory consultation, the Deputy Chief Executive (Place) be authorised to arrange for the Southend-on-Sea Borough Council (Various Roads) (Stopping, Waiting, Loading and Unloading Prohibitions and Restrictions, Parking Places and Permit Parking Zones) (Consolidation) Order 2016 (Amendment No. 18) Order 2017 to be confirmed without the introduction of the taxi rank.

5 Requests for Waiting Restrictions

The Working Party received a report of the Deputy Chief Executive (Place) that sought Members' approval to authorise the advertisement of the amendments and/or new waiting restrictions at the locations indicated in Appendix 1 to the report, in accordance with the statutory processes and, subject to there being no objections received following statutory advertisement, to arrange for the relevant orders to be sealed and implement the proposals.

With reference to the proposals for Ambleside Drive, the Working Party was informed that whilst waiting restrictions of up to 10 metres would be advertised at the various junctions, this may be reduced to a distance of only 5 metres where appropriate.

During the discussion regarding Delaware Road, the Working Party also considered a suggestion that the Highways team work with South Essex Homes in relation to providing some additional parking facilities on areas of the land in Delaware Road opposite Blythe Avenue and in Delaware Crescent, where

indiscriminate parking already occurred. Any proposals arising from this should be the most environmentally friendly solution.

Resolved:

That the Cabinet Committee be recommended:

1. That the Deputy Chief Executive (Place) be authorised to publish the relevant statutory notice and undertake the necessary consultation for a traffic regulation order(s) for the following requests and, subject to there being no objections following statutory advertisement, to arrange for the order to be sealed and the proposals implemented:

That the Deputy Chief Executive (Place) be authorised to publish the relevant statutory notice and undertake the necessary consultation for a traffic regulation order(s) for the introduction of a residents parking scheme in the area covering Pleasant Road (excluding the car park to Norman Harris House), Hartington Road, Hartington Place, Ash Walk and Seaway (southern section only) and, subject to there being no objections following statutory advertisement, to arrange for the order to be sealed and the proposals implemented.

3. That, in relation to resolution 2 above, officers of the highways team work with the relevant Ward Councillors to identify appropriate areas for shared use resident parking and pay and display parking bays such as the southern extremities of Hartington Road and Pleasant Road and where residents parking is not compromised.

Recommend to proceed with advertise amendments.
Leasway	Officers	Remove section of restriction o/s No 4	1 letter of objection received, Objection as this will attract commuter parking	Objection is from the property directly affected however removal of this small section will allow for residents and their visitors to park. The Crossways	Officers	Remove section of restriction	1 letter of objection received, Road too narrow, busy road, dangerous location, close to driveway	Allowing a small area of parking will likely reduce speeds. Area not directly outside of any properties. Recommend to proceed with advertised proposal.

High Cliff Drive	Officers	Passing gap by having double yellow line at various locations in the street	5 letters of objection received & 1 letter supporting proposals. Object due to parking displacement, no need for passing gap. Objection passing gap will create less parking, make road one-way working. Objection, as this will create more parking pressure. Objection, passing gap would be too small, need to have a one-way system. Objection would make parking worse, need to have a one-way system in place. Support the proposals. No objection.	Residential street with light traffic however passing gaps would alleviate occasional issues. The small number of residents suggesting one-way traffic is insufficient to consider such a proposal would be supported. Recommend no further action in regard to waiting restrictions and to propose ward Councillors consider one-way traffic suggestion with residents survey.

While additional parking limited to 2 hours would be useful in the area to accommodate visitors to the properties parking is available nearby. Recommend no further action

Support was not forthcoming and the road was removed from the scheme area. Colleagues at the Cliffs Pavilion are supportive of assisting residents with parking issues while ensuring the car park remains available for theatre visitors. Recommend to proceed with proposals and formally propose the inclusion of this street within the existing permit parking controls.
Cliffs Pavilion Permit Parking Scheme (Amendment No. 3)	Member	Extension to the Cliffs Pavilion Area Residents Permit Scheme.	15 Letters of support 8 Letters of Objection main reasons being loss of parking and no provisions for business permits from 2 businesses in the area. Appendix 1 – List of requests and comments

APPENDIX 1 – TRO CHANGES/WAITING RESTRICTIONS REQUESTS

Location	Request Details	Requested By	Relevant Criteria Points	Officer comments
Eastwood Boulevard Shopping area	Propose restrictions for a maximum parking time of 2 hours to allow for a parking turnover	Member and businesses	NA	An unrestricted parking bay is currently provided however, long term parking is impacting on the businesses. A parking time limit will prevent the bays being used for all day parking. Recommend to advertise proposals.
Gunners Road and High Street	Amend existing restrictions to provide additional short term parking	Members	NA	Following the introduction of the permit parking area, small improvements including additional short term parking bays can be made by amending areas of existing restrictions. Recommend to advertise proposals
Hobleythick Lane	Propose additional waiting restrictions approaching Prittlewell Chase	Members	Hobleythick Lane is a distributor route where traffic flows should not be impeded by parked vehicles.	Concerns that the area approaching the junction becomes congested with parked vehicles impeding traffic in both directions, this in turn leads to congestion across Prittlewell Chase affecting flows in all directions with north/southbound queues blocking the east/west flows. Daytime restrictions will reduce congestion. Recommend to advertise proposed waiting restrictions operational from 7am to 7pm Daily.
