592 Questions from Members of the Public

There were no questions from members of the public.

593 Minutes of the Meeting held on 1st December 2015

Resolved:-

That the Minutes of the Meeting held on 1st December 2015 be confirmed as a correct record and signed.

Note – the item relating to the HIV Notice of Motion (Minute 442 refers) was amended at Council on 10th December 2015 (Minute 489 refers).

594 Corporate Performance Management 2016/17

The Committee considered Minute 557 of Cabinet held on 19th January 2016, which had been referred direct by Cabinet, together with a report of the Chief

Executive on the Council's corporate approach to performance management for 2016/17.

With regard to the Corporate Priority Actions for 2016/17, set out in Appendix 2, the Corporate Director for People said that he is happy to report back to the Scrutiny Committee on progress on the establishment of the multi agency risk assessment team (action 6).

Resolved:-

That the following decisions of Cabinet be noted:

“(i) That the corporate performance measures to be monitored via the Monthly Performance Report (MPR) for 2016/17, as set out at Appendix 1 to the submitted report, be approved.

(ii) That the corporate priority actions, to support implementation of the Council's 2016/17 Corporate Priorities, as set out at Appendix 2 to the report, be approved.”

Note:- This is an Executive Function.

Executive Councillor:- Woodley

595 Draft Capital Programme 2016/17 to 2019/20

The Committee considered Minute 560 of Cabinet held on 19th January 2016, which had been referred direct by Cabinet, together with a report of the Corporate Management Team setting out the draft programme of capital projects for the period 2016/17 to 2019/20.

Resolved:-

That the following decisions of Cabinet be noted:

“1. That the current approved Programme for 2016/17 to 2018/19 of £129.6m, as set out in Appendix 1 to the submitted report, be noted.

2. That the changes to the approved Programme as set out in Appendix 2 to the report, be noted.

3. That the proposed new schemes and additions to the Capital Programme for the period 2016/17 to 2019/20 totalling £52.7m of which £44.7m is for the General Fund and £8.0m for the Housing Revenue Account, as set out in Appendices 6 and 7 to the report, be endorsed.

4. That it be noted that the proposed new schemes and additions, as set out in Appendices 6 and 7 to the report, and other adjustments, as set out in Appendix 2 to the report, will result in a proposed capital programme of £177.6m for 2016/17 to 2019/20.

5. That it be noted that, of the total programme of £177.6m for the period 2016/17 to 2019/20, the level of external funding supporting this programme is £59.9m.

6. That it be noted that a final review is being undertaken on the 2015/16 projected outturn and that the results will be included in the report to Cabinet on 11 February 2016.”

Note:- This is an Executive Function, save the approval of the final budget following Cabinet on 11th February 2016 is a Council Function.

Executive Councillor:- Woodley

596 Draft Fees & Charges 2016/17

The Committee considered Minute 561 of Cabinet held on 19th January 2016, which had been referred direct by Cabinet, together with a report of the Corporate Management Team detailing the fees and charges for services in 2016/17 included in the budget proposals for 2016/17.

In response to questions from the Committee about the proposed fees and charges set out in Appendix 1 for the Department for People, the Corporate Director for People said that:-

(a) with regard to the meals on wheels service – will provide information on numbers currently taking up the service;

(b) with regard to transport service – confirmed that the proposed charge is £2.05 whilst the review is undertaken on how best to deliver the service in future;

(c) with regard to the charge for adult long stay residential care per week – will clarify position with regard to national guidance.

Resolved:-

That the following decision of Cabinet be noted:

“That the proposed fees and charges for each Department as set out in the submitted report and appendices, be endorsed.”

Note:- This is an Executive Function, save the approval of the final budget following Cabinet on 11th February 2016 is a Council Function.

Executive Councillor:- Woodley

597 Draft General Fund Revenue Budget 2016/17

The Committee considered Minute 562 of Cabinet held on 19th January 2016, which had been referred direct by Cabinet, together with a report of the Corporate Management Team presenting the draft revenue budget for 2016/17.

In response to a question regarding the figures in the Adult Social Care & Health portfolio section of Appendix 1, the Council’s Head of Finance & Resources said that he would clarify the figures.

Resolved:-

That the following decisions of Cabinet be noted:

“1. That the 2016/17 draft revenue budget and any required commencement of consultation, statutory or otherwise, be endorsed.”

2. That it be noted that the 2016/17 draft revenue budget has been prepared on the basis of a Council Tax increase of 1.99% and a new Adult Social Care precept of 2%.

3. That it be noted that the 2016/17 draft revenue budget has been prepared using the provisional local government finance settlement and that the outcome from the final settlement will need to be factored into the final budget proposals for the Cabinet and Council.

4. That the 2016/17 draft revenue budget, as endorsed, be referred to all Scrutiny Committees, Business sector and Voluntary sector to inform Cabinet, which will then recommend the budget and Council Tax to Council.

5. That the Schools budget position and the recommendations from the Schools Forum on 13th January 2016, as set out in Appendix 13 and 13(i) to the submitted report, be noted and referred to People Scrutiny Committee and then to Cabinet and Council.

6. That the direction of travel for 2017/18 and beyond, as set out in section 15 of the report, be endorsed.”

Note:- This is an Executive Function, save the approval of the final budget following Cabinet on 11th February 2016 is a Council Function.

Executive Councillor:- Woodley.

598 Monthly Performance Report

The Committee considered Minute 528 of Cabinet held on 5th January 2016, together with the Monthly Performance Report (MPR) covering the period to end November 2015, which had been circulated recently. The Committee additionally had before it an Exceptions Report which had been circulated on 22nd January 2016.

In response to questions on CP 1.3, the Executive Councillor for Children & Learning said that she would be happy to circulate the information provided to a recent meeting of the Corporate Parenting Group.

Resolved:

That the report be noted.

Note:- This is an Executive Function.

Executive Councillor:- As appropriate to the item.

599 Reference back from Council, 10th December 2015 - Notice of Motion - HIV Testing

The Committee considered Minute 527 of Cabinet held on 5th January 2016, which had been called in to scrutiny, together with a report of the Director of Public Health. This concerned the Notice of Motion in relation to HIV testing which had been referred back to Cabinet at the Council meeting held on 10th December 2015 (Minute 489 refers).

Resolved:

That the matter be referred back to Cabinet for reconsideration as the report did not fully reflect the general will expressed at the Council meeting on 10th December 2015.

Note:- This is an Executive Function.
Executive Councillor:- Cllr Moyies

600 Children's Services Peer Review

The Committee considered Minute 533 of Cabinet held on 5th January 2016, which had been called in to scrutiny, together with a report of the Corporate Director for People on the outcome of the Children's Services Peer Review.

Resolved:-

That the following decisions of Cabinet be noted:

"1. That the Regional Peer Review Outcome letter, as set out at Appendix A to the submitted report, be noted.

2. That the Children's Services Action Plan, as set out at Appendix B to the submitted report, be approved."

Note:- This is an Executive Function.
Executive Councillor:- Cllr Jones

601 Annual Report on Safeguarding Children and Adults

The Committee considered Minute 536 of Cabinet held on 5th January 2016, which had been called in to scrutiny, together with a report of the Corporate Director for People providing an annual assurance assessment in respect of the Council's responsibilities for safeguarding children and adults in Southend.

Resolved:-

1. That the following decisions of Cabinet be noted:

"That the submitted report be noted and that the actions detailed in paragraph 3.8 of the submitted report, be approved."

2. That the independent Chair of the LSCB and SAB, Chris Doorly, be invited to give an all member presentation."

Note:- This is an Executive Function.
Executive Councillors:- Cllr Jones and Cllr Moyies

602 School Admissions Arrangements for Community Schools 2017/18

The Committee considered Minute 537 of Cabinet held on 5th January 2016, which had been called in to scrutiny, together with a report of the Corporate Director for

People on the proposed published admissions numbers for community schools for 2017/18.

Resolved:-

That the following decision of Cabinet be noted:

“That the published admission numbers for community schools for 2017/18, as set out in Appendix 1 to the submitted report, be approved.”

Note:- This is an Executive Function.

Executive Councillor:- Cllr Jones

603 Urgent Care Services Review - update

The Committee considered a report from NHS Southend CCG which provided an update on two aspects of the CCG's work: progress on the GP services at St Luke's health centre and the development of a new service co-located with A&E at Southend Hospital.

In response to a question from Cllr Nevin, the Council's Scrutiny Officer agreed to approach NHS England information on other bids made for the GP service contract.

Resolved:-

That the report be noted.

Note:- This is a Scrutiny Function.

604 In depth scrutiny project - Transition arrangements from children's to adult services

Further to Minute 445 of the meeting held on 1st December 2015, the Committee received and noted an oral update on the in depth scrutiny project – 'Transition arrangements from children's to adult services'.

The evidence gathering session with invited witnesses will be held on 24th February 2016 which other members of the Scrutiny Committee are welcome to attend if they wish.

Resolved:-

That update be noted.

Note:- This is a Scrutiny Function.

605 Exclusion of the Public

Resolved:-

That, under Section 100(A)(4) of the Local Government Act 1972, the public be excluded from the meeting for the items of business set out below, on the grounds that they would involve the likely disclosure of exempt information as defined in Part 1 of Schedule 12A to the Act and that the public interest in maintaining the

exemption outweighs the public interest in disclosing the information.

606 Establishment of a Local Authority Trading Company for Adult Social Care and site feasibility study for Delaware, Priory and Viking

The Committee considered Minute 564 of Cabinet held on 19th January 2016, which had been referred direct by Cabinet, together with a report of the Corporate Director for People on the above.

In response to a question, the Council's Head of Adult Services and Housing said that she would provide information on the number of dementia care beds lost.

In response to a question, the Executive Councillor for Health & Adult Social Care agreed to provide information on the costs of engaging the consultants identified in the report. With regard to the LATC high level implementation plan in Appendix 2 to the report, the Executive Councillor confirmed that he would report back on implementation and the proposed governance arrangements.

Resolved:-

That the following decisions of Cabinet be noted:

“1. That it be noted that the Financial Feasibility Study, as set out in Appendix 1 to the submitted report, has found that the delivery of the services (as set out in section 4.1.2 of the report) through a Local Authority Trading Company (LATC) is the most viable option.

2. That the incorporation of the LATC as a company limited by shares be approved.

3. That a fully costed proposal be developed for the creation of new care facilities on the Priory site to be operated by the LATC, including full details of funding and financing implications, given that the independent Site Feasibility Study, as set out in Appendix 4 of the report, has established there is a clear Business Case.

4. That the Business Case for the LATC together with the draft Business Plan (as set out in the report and Appendices 1-3) be approved and that the Head of Finance & Resources, in consultation with Corporate Director for People and the Executive Councillor for Health & Adult Social Care, be authorised to approve the LATC's final Business Plan.

5. That all necessary consultations with service users, carers etc, be undertaken in connection with the proposal that the LATC should take over and carry out all those services currently provided in-house as set out in section 4.1.2 of the report.

6. That all necessary consultations with existing staff and trade unions be undertaken in connection with the TUPE transfer involved.

7. That the Corporate Director for People, in consultation with the Executive Councillor for Health & Adult Social Care, be authorised to consider responses to the consultation undertaken (referred to in 5 and 6 above) and to make such amendment to the proposals (including if appropriate withdrawing them) to change the delivery of the services.

8. That subject to 7 above, the Corporate Director for People, in consultation with the Executive Councillor for Health & Adult Social Care, be authorised to finalise arrangements between the Council and the LATC to enable the LATC to carry out all those services currently provided in-house (as set out in section 4.1.2 of the report) and to authorise them to approve, in consultation with the Head of Legal & Democratic Services and Head of Finance & Resources, the terms of any such contract for services, shareholder's agreement, funding agreement and leases or licences for Delaware House, Priory House and the Viking Day Centre (between the Council and the LATC) as may be necessary to give effect to such arrangements.

9. That subject to 7 and 8 above, the financial support package for the LATC as set out in section 4.1.10 of the report, be approved and to note that this will be repaid by the LATC.

10. That the Site Feasibility Study as set out in Appendix 4 of the report, which has demonstrated the feasibility of developing a dedicated dementia facility and the re-provision of a learning disability day centre on the Priory House site, be noted and that officers be requested to develop fully costed proposals for submission to Cabinet later in the year.”

Note:- This is an Executive Function.
Executive Councillor:- Moyies

607 Schools Progress Report

The Committee received and considered a report of the Corporate Director for People which informed the Committee on the current position with regard to schools causing concern and also Academy developments.

Resolved:-

That the report be noted.

Note:- This is an Executive Function.
Executive Councillor:- Jones

13 CP 1.3	The percentage of children reported to the police as having run away that receive an independent return to home interview [Cumulative]	Aim to Maximise	January 2016	64.6%	85%	85%			From the 1st April 2015 to 31st January 2016, 150 children have gone missing on 367 occasions. There have been 237 successful return to home (RTH) visits. There are currently 73 RTH interviews outstanding which relate to 33 children, 7 of which are Southend LAC placed out of borough. Of the 73 outstanding, 25 are assigned to Southend Social Workers and 48 are assigned to Street's Ahead. Of the 48 assigned to Street's Ahead, 13 were delayed due to an admin issue which has now been resolved. There have been 27 children, with 57 missing episodes, where the RHI was not successful; either the child was not seen, the child refused the visit or the visit was unable to take place. Of these episodes, 22 are Essex LAC, 3 are other LA LAC's, 8 are Southend LAC and 24 are other Southend Children. As at 8th February there are no children currently missing.	People Scrutiny

[Cumulative]	Aim to Minimise	January 2016	7042	6235	7389			Southend Community Safety Partnership continues to monitor closely the current performance on crime figures. The majority of the increase in reported crime is within the category 'violence without injury' – typically common assault, harassment and threat offences. A large proportion of these offences have been reported following domestic abuse incidents, which is encouraging as we know that this is traditionally a crime type that is under-reported. Also within this crime category is a change in national crime recording rules which means that Malicious Communications is now recorded as a crime. The CSP has commissioned a detailed crime strategic intelligence assessment for the Borough, which should provide a broader picture and assist in addressing the priorities for crime and disorder over the coming year. Southend Community Safety Partnership continues to monitor closely the current performance on crime figures. The majority of the increase in reported crime is within the category ‘violence without injury’ – typically common assault, harassment and threat offences. A large proportion of these offences have been reported following domestic abuse incidents, which is encouraging as we know that this is traditionally a crime type that is under-reported. Also within this crime category is a change in national crime recording rules which means that Malicious Communications is now recorded as a crime. The CSP has commissioned a detailed crime strategic intelligence assessment for the Borough, which should provide a broader picture and assist in addressing the priorities for crime and disorder over the coming year.

From the 1st April 2015 to 31st January 2016, 150 children have gone missing on 367 occasions. There have been 237 successful return to home (RTH) visits. There are currently 73 RTH interviews outstanding which relate to 33 children, 7 of which are Southend LAC placed out of borough. Of the 73 outstanding, 25 are assigned to Southend Social Workers and 48 are assigned to Street's Ahead. Of the 48 assigned to Street's Ahead, 13 were delayed due to an admin issue which has now been resolved. There have been 27 children, with 57 missing episodes, where the RHI was not successful; either the child was not seen, the child refused the visit or the visit was unable to take place. Of these episodes, 22 are Essex LAC, 3 are other LA LAC's, 8 are Southend LAC and 24 are other Southend Children. As at 8th February there are no children currently missing.

A number of ratepayers now pay over 12 instalments and a review of expected instalments to end of year indicates that the targeted amount is still achievable. A number of large refunds have also been issued in January, which is also affecting the lower collection rate. In the meantime, extra recovery runs have also been scheduled to try and increase collection before the year end.

1. Commentary

This report outlines the budget monitoring position for the General Fund and Housing Revenue Account for 2015/16, based on the views of the Directors and their Management Teams, in light of expenditure and income to 31 January 2016.

The starting point for the budget monitoring is the original budget as agreed by Council in February 2015. Therefore, the full cost budget is being monitored, including fully allocated Management, Administrative and Technical Services (MATS) and capital financing costs. As at the end of November, all 2015-16 corporate savings had been allocated.

2. Overall Budget Performance – General Fund

No variation to budget is being forecast for the Council overall as measured against the latest budget. Within this position there is a projected overspend of £157,000 in Council departmental spending. This position includes the budget pressures some services are reporting, offset by some significant one-off underspends as shown in the detail in section 3 on service variances. Without these one-off underspends, pressures would still exist in the Council base budget. In addition to the departmental position there is a £157,000 underspend in non-service areas.

4. Non Service Variances (£157,000) forecast underspend

Financing Costs - (£536K)

This provision is forecast to be underspent against budget at the year-end as; the principal repayment financing charges for 2015/16 are affected by the financing of the 2014/15 capital programme (£83K); no PWLB borrowing taken out (£368k); interest

receivable on the HRA's internal borrowing is expected to be higher than estimated in the budget (£145K) and a revised estimate of interest payable on the HRA cashflow of £60k.

Appropriations to Reserves - £379K

At year-end, there is forecast to be an appropriation of £300,000 from earmarked reserves to meet in-year expenditure from the Adults Social Care reserve and £679,000 to the Business Transformation Reserve.

5. Appropriations to / from Earmarked Reserves

Net appropriations from Earmarked Reserves totalling £1,889,000 were agreed by Council when setting the 2015/16 budget in February 2015. The current outturn position allows for further in-year appropriations from/(to) reserves, totalling (£1,056,360). Total net appropriations from reserves for 2015/16 will therefore equal £832,640.

- £498,300 from the Business Transformation Reserve to enable the progression of various projects,
- £257,900 of Social Work Training grants and the Practice Learning Fund,
- £145,600 from the Adoption Reform grant reserve,
- £1,401,090 from the Public Health Grant
- (£275,350) to the Supporting People reserve
- £293,000 from the Rough Sleeper Grant reserve
- £3,500 from Committee Management reserve
- £273,600 from the Queensway reserve
- (£500,000) to the Interest Equalisation reserve
- (£400,000) to the Public Health Reserve
- (£2,235,000) to RCCO
- (£ 90,000) to Capital Reserve for Cremated Remains
- (£ 50,000) to the Repairs and Renewals Reserve
(£677,360)

Planned appropriations (to)/from Earmarked Reserves which will also be carried out later in the year for specific purposes are;

- £300,000 from the Adult Social Care Reserve
- (£679,000) to the Business Transformation Reserve
- (£379,000)

6. Revenue Contributions to Capital Outlay (RCCO)

The original budget for 2015/16 included planned revenue contributions for capital investments, via the use of Earmarked Reserves, of £3,090,000. Due to slippage in the capital programme, this budget is now £855,000, balanced by the use of the Capital Reserve.

7. Performance against Budget savings targets for 2015/16

As part of setting the Council budget for 2015/16, a schedule of Departmental and Corporate savings was approved totalling £10.5 million. These are required to achieve a balanced budget.

A monthly exercise is in place to monitor the progress of the delivery of these savings.

The latest position is that the majority of savings reported on are on track for full delivery by the year end. Where savings are not being achieved, the relevant Directors are identifying alternative measures to achieve full savings as required.

A detailed breakdown, by RAG status, of the Departmental Savings is shown below:

	Red £000	Amber £000	Green £000	Original Savings Total £000	Projected Outturn £000	Forecast Variance £000
Department						
Corporate Services	35	35	1,397	1,467	1,437	(30)
People	0	1,935	4,530	6,465	6,395	(70)
Place	40	830	1,698	2,568	2,523	(45)
Total	75	2,800	7,625	10,500	10,355	(145)

Although the current forecast is showing a shortfall of £145,000 against the required savings total of £10.5 million, it is currently expected that the total savings will be delivered in full as part of each Department's overall budget total by the end of the financial year either by finding alternative savings or ensuring amber and red savings are delivered in full.

8. Budget Virements

In line with the new financial procedure rules approved by Council on 23rd July, all virements over £50,000 between portfolio services or between pay and non-pay budgets are to be approved by Cabinet.

Below is a table showing the virements which fall within these parameters from 1st August 2015.

	DR £	CR £
Virements up to 31/07/2015	950	(950)
Virements over £50,000 in reported period	808	(808)
Virements over £50,000 in previous periods	676	(676)
Virements approved under delegated authority	6,227	(6,227)
Total virements	8,661	(8,661)

The virements for Cabinet approval this period are for;

- £250,000 Revenue virement from Learning Disabilities to Mental Health Supported Living.
- £127,000 Revenue virement to realign Better Care Fund budgets
- £266,000 Revenue virement for ASO works previously managed by ISS now brought in house
- £100,000 Revenue virement for drainage and footways in the Repairs and Maintenance budgets
- £65,000 Revenue virement to offset some of the pressure on the footways repairs and maintenance budget

9. Overall Budget Performance – Housing Revenue Account (HRA)

The HRA budget was approved by Council on 26th February 2015 and anticipated that £2,721,000 would be appropriated to earmarked reserves in 2015/16.

The closing HRA balance as at 31st March 2015 was £3,502,000.

The current forecast is projecting an overspend on capital financing charges of £58,000. This is because the interest payable on the HRA's internal borrowing is higher than estimated in the budget, partly offset by a reduced depreciation charge as a result of the revaluation of HRA dwellings. There is also a pressure of £60,000 relating to the residential security patrol services at Victoria ward, a projected higher than expected rental income of £300,000 and £160,000 fees and charges due to a lower number of void properties than estimated in the budget. It is proposed that the net underspend of £417,000 be transferred to the HRA Capital Investment Reserve, therefore leaving the main revenue reserve unchanged.

Forecast Outturn Variance	Year to Date Variance
a. Probable underspend on the School Admissions service with changing management arrangements.	
b. Current cohort includes 3 high cost LDD placements, Direct Payments also overspent. Total £180K overspent. £130K overspend due to costs of legal representation in child protection cases	
c. Some underspend on staffing due to synergies with 'A Better Start' project will offset the pressure in 2015/16	Children's Centre savings not yet enacted, plans are progressing, but this leaves a Cost pressure of £100K which will be contained by drawing down on reserves earmarked for this purpose.
d. Overspend due to cost of Social Workers in frontline child protection roles in Care Management and First Contact teams.	
e. Forecast for current cohort of fostering places. Position has reverted to a small underspend with adoption referral income exceeding the budget set. However fostering demand remains high as there has been a net increase of 46 fostering placements from September to December (this includes a number of sibling groups). New internal foster carers have been recruited as part of a longer term strategy to reduce external placements.	
f. Cessation of external carers support contract with duties taken in-house; early impact of saving for next financial year.	
g.	
h.	
i.	
j. Current cohort of PVI placements is forecast to underspend but this budget remains volatile and susceptible to sudden changes in demand from high cost placements such as secure accommodation placements.	
k.	
l. Agency spending on Independent Reviewing Officers.	
m. .	
n. Home to School Transport forecast indicates an underspend in line with last year following a review of procedures and contracts.	

41

On-going restructure of the Child and Family Early Intervention Service should result in savings targets for 2015/16 being surpassed - £20k under.

- o. 5 Young people currently in remand so costs are likely to exceed the grant and reserves available by. £50k. Vacant post in the Youth Offending Service offsets this overspend.

Community & Organisational Development
Portfolio Holder - Cllr I Gilbert**

Forecast Outturn Variance	Year to Date Variance
a.	
b. Income for burials and cremations is expected to exceed budget	
c.	
d. In year vacancies	The underspend due to staff vacancies is likely to be partially offset by additional costs at year-end
e.	Overpayments repaid relating to prior years
f.	
g. Pressure on employees' budget due to overtime and agency costs. ICT maintenance support costs are higher than budget.	The year to date overspend on Benefits Administration is being partially offset by an underspend on the Social Fund and Community Hub. This is a result of budget profiling
h.	Period 10 Monitored position
i.	The supplies and services budget is not currently being spent in line with the profiling
j.	Lower demand in the winter period will reduce the underspend by year-end
k. There is an expected underspend in the Voluntary Sector premises costs due to a change in the accounting treatment of business rates. Additionally there should be a saving on employee budgets due to a member of staff now working part-time	Due to profiling, the underspend in business rates is not reflected in the year to date variance
l. An on-going pressure due to agency staff and overtime costs is being partially offset by an underspend on salaries	
m. Vacancies and internet costs	
n.	Work is being undertaken to understand the nature of the underspend
o. Staff vacancies

Departmental Summary**

Capital Programme Monitoring Report – January 2016

1. Overall Budget Performance

The revised Capital budget for the 2015/16 financial year is £39.137million which includes all changes agreed at February Cabinet. Actual capital spend at 31st January is £27.859million representing approximately 71% of the revised budget. This is shown in Appendix 1. (Outstanding creditors totalling £0.634million have been removed from this figure).

The expenditure to date has been projected to year end and the outturn position is forecast to reflect the Project Manager's realistic expectation. This is broken down by Department as follows:

Department	Revised Budget 2015/16 £'000	Actual 2015/16 £'000	Expected outturn 2015/16 £'000	Latest Expected Variance to Revised Budget 2015/16 £'000
Corporate Services	4,858	2,389	4,708	(150)
People	10,633	8,729	10,633	-
Place	15,801	11,552	15,940	139
Housing Revenue Account (HRA)	7,845	5,189	7,845	-
Total	39,137	27,859	39,126	(11)

The capital programme is expected to be financed as follows:

Department	External Funding			Total Budget £'000
	Council Budget £'000	Grant Budget £'000	Developer & Other Contributions £'000	
Corporate Services	4,791	67	-	4,858
People	268	10,365	-	10,633
Place	8,203	7,008	590	15,801
Housing Revenue Account (HRA)	7,767	-	78	7,845
Total	21,029	17,440	668	39,137

The funding mix for the total programme could change depending on how much grant and external contributions are received by the Council by the end of the year.

The grants and external contributions position to 31st January is as follows:

Department	Grant Budget £'000	Developer & Other Contributions Budget £'000	Total external funding budget £'000	External funding received £'000	External funding outstanding £'000
Corporate Services	67	-	67	67	-
People	10,365	-	10,365	10,360	5
Place	7,008	590	7,598	6,520	1,078

Remaining budget	83

Actual spend at 31st January stands at £2.389million. This represents 49% of the total available budget.

Accommodation Strategy - Main

All works to the toilets and first aid room have now been completed. Some additional costs have occurred with the Civic 2 refurbishment resulting in an overspend of £25k which will be funded from a revenue contribution from Corporate Services.

Queensway

The Ground Penetrating Radar scheme is focused on determining the location of gas pipes, electricity cables and drainage around the Queensway site. The radar is able to give accurate location information within 100mm. The carriageway works are taking place during February and will cost £25k. The remaining footway works are more labour intensive and will not take place until 2016/17. The remaining budget of £175k will be included as an adjustment to the approved capital programme in the report to June Cabinet.

Tickfield

All building works have now been completed at Tickfield.

Asset Management (Property)

The Focus House scheme is progressing on time and budget with only the car park laying out works to be completed.

The Pier North End Roof repairs scheme is anticipated to complete before year end with access now arranged for the remaining internal works.

The toilet refurbishment at Thorpe Hall is progressing with the demolition almost complete and internal works to follow.

Cemeteries and Crematorium

The Essential Crematorium Equipment budget has been allocated for a replacement fire alarm system in the Crematorium. The contractors are currently on site with completion expected before year end.

The project to acquire land for the new burial ground is currently on hold however the contingency plan to develop a small plot of existing land identified in Sutton Road Cemetery is being progressed. Most of the overgrowth has now been cleared on site and although there has been a slight delay due to the weather, the scheme remains on target.

ICT

Phase two of the Citizen Account scheme went live on 3rd February.

The Digital Strategy Programme Board agreed the Early Years and Transport modules for the Capita One developments in December. The Transport module is now complete with the Early Years module currently in progress.

The Hybrid Cloud Data Centre tender has been published on Contracts Finder as part of the ICT Core Infrastructure scheme. The closing date for the tender was at the end of January and they are currently in the process of being evaluated.

Priority Works

The Priority works provision budget currently has £83k remaining unallocated.

Summary

A carry forward request of £175k for the Queensway Ground Penetrating Radar scheme will be included in the report to June Cabinet.

An over-spend of £25k is reported on the Accommodation Strategy scheme and this will be funded from a revenue contribution from Corporate Services.

Department for People

The revised Department for People budget totals £10.633million.

Department for People	Revised Budget 2015/16 £'000	Actual 2015/16 £'000	Expected outturn 2015/16 £'000	Latest Expected Variance to Year End 2015/16 £'000

Primary School Places	7,574	6,152	7,574	-
Total	10,633	8,729	10,633	-

Actual spend at 31st January stands at £8.729million. This represents 82% of the total available budget.

Adult Social Care

The Adult Social Care budget consists of the Community Capacity grant which includes £172k for the Care Act capital scheme. Part of the Community Capacity grant will be spent on major adaptations that will enable vulnerable individuals to remain in their own homes and to assist in avoiding delayed discharges from hospital.

The Dementia Friendly Environments budget has been allocated to enhance Delaware House and the dementia garden. These works are progressing well and will continue into 2016/17.

General Fund Housing

The Private Sector Renewal scheme is in place to ensure that the private sector stock is kept in a good condition. 15 new cases are currently on hold pending review and they are expected to restart in 2016/17.

The Empty Dwellings Management scheme is currently concentrating on bringing more empty homes back into use. Several empty homes projects are on-going however it is likely that they will not complete until 2016/17.

The Private Sector Housing Works in Default scheme has further works in the pipeline before the end of the financial year worth approximately £2k.

Children & Learning Other Schemes

Retentions of £57k are being held for Kingsdown Special School roof works and will be paid once outstanding snagging and defects works are completed and fully signed off. This figure is included in the creditors shown above. The Hinguar Primary School project is now signed off and a final retention of £6k will be paid before the end of the financial year.

Condition Schemes

A budget of £1.233m has been allocated to address larger conditions in schools where the cost is over the schools capabilities to fund. Most of these works are either complete or in the final stages. Retentions of £28k are being held for works completed in 2014/15 at eight primary schools. This figure is included in the creditors shown above.

Devolved Formula Capital

This is an annual devolution of dedicated capital grant to all maintained schools. The grant for 2015/16 is £310k.

Primary School Places

Capital expansions, both permanent and temporary are on-going to supply primary places to meet significant increased demands. In 2015/16, spend of £7.574m is programmed. This covers large, multi-year projects at St Helen's Catholic Primary, Sacred Heart Catholic Primary, Hamstel Infant and Juniors, The Federation of Greenways Schools and St Mary's Prittlewell C of E Primary. Works at Darlinghurst Primary School and Porters Grange Primary Schools have now been completed.

A further £52k is also being held as retention payments against works completed in 2014/15 on smaller expansion projects. This figure is included in the creditors shown above.

Department for Place

The revised capital budget for the Department for Place is £15.801million. This includes all changes approved at February Cabinet. The budget is distributed across various scheme areas as follows:

Department for Place	Revised Budget 2015/16 £'000	Actual 2015/16 £'000	Expected outturn 2015/16 £'000	Latest Expected Variance to Year End 2015/16 £'000

Waste	597	627	736	139
Energy Saving Projects	1,493	856	1,493	-
Total	15,801	11,552	15,940	139

Actual spend at 31st January stands at £11.552million. This represents 73% of the total available budget.

Culture

The drainage works are now complete at Chalkwell Park Tennis Courts and the resurfacing works are scheduled to be completed as soon as the weather permits.

External works above the Maritime Room at the Cliffs Pavilion are on-going with a scheduled completion date of March 2016 but this is dependent on the weather conditions as some of the works are external. A specification for tender for the under-croft piping replacement is currently with Property Services for specification. As the works will impact on the heating in the auditorium, some of the works will not be completed until 2016/17.

Various works are taking place at the Palace Theatre with the installation of the fire exit currently out to tender. These works are unlikely to commence until the new financial year due to the complexity of gaining planning consent for a historic listed building. Planning and listed building consent is also required for the replacement of the windows which is currently causing some delays to the project.

Delays are currently occurring on the refurbishment of the war memorials within the Borough due to the availability of specialist contractors. There is currently great demand for this kind of work given the focus on the 100 year commemorative anniversary.

Enterprise, Tourism & Regeneration

The Regeneration projects include all the work currently taking place on Southend Pier and the City Deal Incubation Centre as well as the Coastal Communities Fund.

A scheme for additional offices in the Hive as part of the City Deal Incubation Centre scheme has been drawn up and is awaiting approval.

A sub-structural works contractor has now been appointed for the structural repairs on Southend Pier. Orders have been placed although works are not expected to complete until September.

The concrete works on the Prince George Extension works on the Pier have come in over tender which has caused some delays to the project. Some localised repairs are being carried out.

Coastal Defence and Foreshore

Works for the Cliff Stabilisation at Clifton Drive commenced on 12th April. £25k has been transferred from Asset Management to part fund the equipment trench. The works on the trench have come in £25k over this budget along with £137k additional works due to unexpected ground conditions therefore a total pressure of £162k is currently reported. This will be financed by an under-spend reported on the LTP schemes.

Highways and Infrastructure

All approved programmed works have now completed under the planned maintenance scheme. The remaining funds are to be spent on a collapsing section of the junction at Prittlewell Chase and Highfield Gardens.

Further discussions have taken place with Network Rail about moving the fence separating the Cinder Path from Essex Thameside Rail Link. Once the estimate has been received from the contractor, works can be programmed to coincide with the next appropriate rail possession. Resurfacing of the widened Cinder Path can then commence. It is anticipated that works will commence in the new financial year.

The revised Street Lighting budget is a multi-million pound, multi-year scheme to be part funded by the Challenge fund from the Department for Transport. Luminary replacements are currently a month ahead of programme and the column replacements are two months ahead of programme. The lanterns for the A127 are now in stock and the installation commenced on 8th February. Bollard work is continuing and work has now progressed to the A13.

Parking Management

Works to the Civic Centre North car park are now complete. Remaining funding will be utilised for works to improve the other Borough car parks.

Section 38 and Section 106 Schemes

There are a number of S38 and S106 schemes all at various stages. The larger schemes include works to Fossetts Farm Bridleway and North Shoebury Road.

Local Transport Plans (LTP Schemes)

Various schemes are now underway for Better Networks and Better Sustainable Transport. Works to the Better Operations of Traffic Control Systems are now complete.

Programmed resurfacing works under the maintenance scheme have been completed and further works are scheduled for resurfacing and kerb works at Western Road to utilise the remainder of the budget.

Underspend of £162k will be used to fund the works on Clifton Drive Stabilisation Works.

Local Growth Fund

The A127 Growth Corridor projects will support the predicted growth associated with London Southend Airport and the Joint Area Action Plan (JAAP) proposals developed by Southend, Rochford and Essex County Councils to release land and create 7,380 high value jobs on new business. The improvement will also support background growth of Southend and Rochford.

The business cases for A127 Kent Elms and Bridge and Highway Maintenance have been approved by South East Local Enterprise Partnership to draw down 2015/16 funding. Further work is underway to support the business cases for 2016/17 onwards. 2015/16 works for Kent Elms will be focussing on the design and construction of the advance surface crossing works and design and survey work for the main junction improvement works. A defect was identified in the westbound carriageway with remedial works undertaken on 5th January. Further drainage surveys are required and will be undertaken in February. A bridge survey has taken place and the highways team are currently awaiting the report. Works on the Bell junction will be focussing on survey work to inform the design for the main junction improvement works. Once Kent Elms survey works have been received and reviewed, similar surveys will be commissioned for the Bell. Bridge and Highway Maintenance will be focussing on investigation works for the improvement to the A127 corridor. Surfacing works are complete to the eastbound section of the A127 from the boundary to just prior to the Progress Road improvement works. The estimate for pavement surveys is currently being reviewed and a quotation for drainage, lighting and safety barrier surveys is being prepared.

The Asbestos survey has been completed for the Southend Central Area Action Plan (SCAAP) Growth Point for non-transport schemes with the report pending. The ventilation specification is to be completed to fit spatial requirements and the boilers have been sized and drawn with the specification still to be completed.

Transport

Main works on the A127 Tesco junction improvements are complete. Traffic signal monitoring will continue to be adjusted as necessary. UK Power Network trench defects are still to be rectified by the contractor.

Minor adjustments to traffic signals on Progress road are yet to be completed.

Southend Transport Model is an on-going scheme to support various multi modal transport projects.

Waste

There are commitments for the year in relation to the Commercial Waste and Recycling Centre which will involve ground works, a salt dome and refurbishment of the toilets. Some

disused buried structures and contaminated soil have been discovered on site and this has slightly delayed the project. Works are on-going with an expected completion date before the end of the year. Final snagging works are to be carried out and the final accounts are to be reviewed. An over-spend of £139k is currently reported and an investigation into this is currently being carried out and the resultant figure will be funded from within the Place Department budget by a relevant virement.

Energy Saving Projects

The biomass boilers are currently awaiting planning permission as part of the energy project at Southend Adult Community College.

A resolution is currently being progressed at Temple Sutton School with regards to the asbestos issue which is currently delaying heating controls. The pool building and ground source heat pump is currently in design with the build going out to tender during February. The rest of the project is expected to be completed by year end.

The energy scheme at Eastwood Schools will involve the installation of solar panels and the works are current seeking agreement at the Board of Governors which will delay the majority of the project until 2016/17.

Summary

There is currently an over-spend of £139k on the Short Street Depot scheme which is being investigated and a relevant virement will be identified from the Place Department budget.

A pressure of £162k has been identified on the Cliffs Stabilisation scheme which will be financed by an under-spend on LTP schemes.

Housing Revenue Account

The revised budget for the Housing Revenue Account capital programme for 2015/16 is £7.845million. The latest budget and spend position is as follows:

Housing Revenue Account	Revised Budget 2015/16 £'000	Actual 2015/16 £'000	Expected outturn 2015/16 £'000	Forecast Variance to Year End 2015/16 £'000
Decent Homes Programme	6,994	4,542	6,994	-
Council House Adaptations	500	452	500	-
32 Byron Avenue	16	-	16	-
Other HRA	335	195	335	-
Total	7,845	5,189	7,845	-

The actual spend at 31st January of £5.189million represents 66% of the HRA capital budget.

Decent Homes Programme

The on-going Decent Homes schemes are continuing in 2015/16. Kitchens, bathrooms and electrical works have now completed. A contract to renew adhoc boilers is underway and is scheduled to complete by the end of March. Fire safety works are underway at Malvern and Mornington House. The LED lighting works at Riverstone and Mornington House are on site. Block upgrade works have begun at Saxon Gardens.

Council House Adaptions

This budget relates to minor and major adaptations in council dwellings. Spend depends on the demand for these adaptations and works are currently in progress for 2015/16.

32 Byron Avenue

The build at 32 Byron Avenue is now complete and settlement of the final accounts is expected by the end of the financial year.

Other HRA

The plan for the HRA Land Review scheme is to construct 18 housing units within the Shoeburyness ward. The contractor has now been appointed and they are currently making the necessary appointments and finalising the design development. They will commence hoarding the sites in late February and demolition will begin in March. The build time has been scheduled for 50 weeks.

[Cumulative]	Aim to Minimise	February 2016	7705	6754	7389			Southend Community Safety Partnership continues to monitor closely the current performance on crime figures. The majority of the increase in reported crime is within the category 'violence without injury' – typically common assault, harassment and threat offences. A large proportion of these offences have been reported following domestic abuse incidents, which is encouraging as we know that this is traditionally a crime type that is under-reported. Also within this crime category is a change in national crime recording rules which means that Malicious Communications is now recorded as a crime. The CSP has commissioned a detailed crime strategic intelligence assessment for the Borough, which should provide a broader picture and assist in addressing the priorities for crime and disorder over the coming year. Southend Community Safety Partnership continues to monitor closely the current performance on crime figures. The majority of the increase in reported crime is within the category ‘violence without injury’ – typically common assault, harassment and threat offences. A large proportion of these offences have been reported following domestic abuse incidents, which is encouraging as we know that this is traditionally a crime type that is under-reported. Also within this crime category is a change in national crime recording rules which means that Malicious Communications is now recorded as a crime. The CSP has commissioned a detailed crime strategic intelligence assessment for the Borough, which should provide a broader picture and assist in addressing the priorities for crime and disorder over the coming year.

1. Commentary

This report outlines the budget monitoring position for the General Fund and Housing Revenue Account for 2015/16, based on the views of the Directors and their Management Teams, in light of expenditure and income to 29 February 2016.

The starting point for the budget monitoring is the original budget as agreed by Council in February 2015. Therefore, the full cost budget is being monitored, including fully allocated Management, Administrative and Technical Services (MATS) and capital financing costs. As at the end of November, all 2015-16 corporate savings had been allocated.

2. Overall Budget Performance – General Fund

No variation to budget is being forecast for the Council overall as measured against the latest budget. Within this position there is a projected overspend of £248,000 in Council departmental spending. This position includes the budget pressures some services are reporting, offset by some significant one-off underspends as shown in the detail in section 3 on service variances. Without these one-off underspends, pressures would still exist in the Council base budget. In addition to the departmental position there is a £248,000 underspend in non-service areas.

General Fund Portfolio Forecast Comparison 2015/16 at 29 February 2016 - Period 11

4. Non Service Variances (£248,000) forecast underspend

Financing Costs - (£539K)

This provision is forecast to be underspent against budget at the year-end as; the principal repayment financing charges for 2015/16 are affected by the financing of the 2014/15 capital programme (£83K); no PWLB borrowing taken out (£368k); interest receivable on the HRA's internal borrowing is expected to be higher than estimated in the budget (£145K) and a revised estimate of interest payable on the HRA cashflow of £60k.

Appropriations to Reserves - £291K

At year-end, there is forecast to be an appropriation of £300,000 from earmarked reserves to meet in-year expenditure from the Adults Social Care reserve and £591,000 to the Business Transformation Reserve.

5. Appropriations to / from Earmarked Reserves

Net appropriations from Earmarked Reserves totalling £1,889,000 were agreed by Council when setting the 2015/16 budget in February 2015. The current outturn position allows for further in-year appropriations from/ (to) reserves, totalling (£1,278,510). Total net appropriations from reserves for 2015/16 will therefore equal £610,490.

- £173,300 from the Business Transformation Reserve to enable the progression of various projects,
- £257,900 of Social Work Training grants and the Practice Learning Fund,
- £145,600 from the Adoption Reform grant reserve,
- £1,401,090 from the Public Health Grant
- (£275,350) to the Supporting People reserve
- £293,000 from the Rough Sleeper Grant reserve
- £3,500 from Committee Management reserve
- £273,600 from the Queensway reserve
- (£500,000) to the Interest Equalisation reserve
- (£400,000) to the Public Health Reserve
- (£2,235,000) to RCCO
- (£ 90,000) to Capital Reserve for Cremated Remains
- (£ 50,000) to the Repairs and Renewals Reserve
- (£175,000) to the Social Fund Reserve
- (£ 80,000) to the Voluntary Organisations Reserve
- (£65,000) to Flood Defences
- £ 14,250 from the Pioneer Grant
- £ 11,050 from the Zero Based Reporting Grant Reserve
- £ 18,550 from Warm Homes Healthy People Grant
(£1,278,510)

Planned appropriations (to)/from Earmarked Reserves which will also be carried out later in the year for specific purposes are;

- £300,000 from the Adult Social Care Reserve
- (£591,000) to the Business Transformation Reserve
- (£291,000)

6. Revenue Contributions to Capital Outlay (RCCO)

The original budget for 2015/16 included planned revenue contributions for capital investments, via the use of Earmarked Reserves, of £3,090,000. Due to slippage in the capital programme, this budget is now £855,000, balanced by the use of the Capital Reserve.

7. Performance against Budget savings targets for 2015/16

As part of setting the Council budget for 2015/16, a schedule of Departmental and Corporate savings was approved totalling £10.5 million. These are required to achieve a balanced budget.

A monthly exercise is in place to monitor the progress of the delivery of these savings.

The latest position is that the majority of savings reported on are on track for full delivery by the year end. Where savings are not being achieved, the relevant Directors are identifying alternative measures to achieve full savings as required.

A detailed breakdown, by RAG status, of the Departmental Savings is shown below:

	Red £000	Amber £000	Green £000	Original Savings Total £000	Projected Outturn £000	Forecast Variance £000
Department						
Corporate Services	35	35	1,397	1,467	1,437	(30)
People	0	1,935	4,530	6,465	6,395	(70)
Place	40	214	2,314	2,568	2,523	(45)
Total	75	2,184	8,241	10,500	10,355	(145)

Although the current forecast is showing a shortfall of £145,000 against the required savings total of £10.5 million, it is currently expected that the total savings will be delivered in full as part of each Department's overall budget total by the end of the financial year either by finding alternative savings or ensuring amber and red savings are delivered in full.

8. Budget Virements

In line with the new financial procedure rules approved by Council on 23rd July, all virements over £50,000 between portfolio services or between pay and non-pay budgets are to be approved by Cabinet.

Below is a table showing the virements which fall within these parameters from 1st August 2015.

	DR £	CR £
Virements up to 31/07/2015	950	(950)
Virements over £50,000 in reported period	808	(808)
Virements over £50,000 in previous periods	676	(676)
Virements approved under delegated authority	6,245	(6,245)
Total virements	8,679	(8,679)

There are no virements for Cabinet approval for period 11.

9. Overall Budget Performance – Housing Revenue Account (HRA)

The HRA budget was approved by Council on 26th February 2015 and anticipated that £2,721,000 would be appropriated to earmarked reserves in 2015/16.

The closing HRA balance as at 31st March 2015 was £3,502,000.

The current forecast is projecting an overspend on capital financing charges of £58,000. This is because the interest payable on the HRA's internal borrowing is higher than estimated in the budget, partly offset by a reduced depreciation charge as a result of the revaluation of HRA dwellings. There is also a pressure of £60,000 relating to the residential security patrol services at Victoria ward, a projected higher than expected rental income of £340,000 and £200,000 fees and charges due to a lower number of void properties than estimated in the budget. It is proposed that the net underspend of £497,000 be transferred to the HRA Capital Investment Reserve, therefore leaving the main revenue reserve unchanged.

Forecast	Outturn	Variance	Year to Date	Variance
a.	Probable underspend on the School Admissions service with changing management arrangements.			
b.	Current cohort includes 3 high cost LDD placements, Direct Payments also overspent. Total £180K overspent. £140K overspend due to costs of legal representation in child protection cases			
c.	Some underspend on staffing due to synergies with 'A Better Start' project will offset the pressure in 2015/16		Children's Centre savings not yet enacted, plans are progressing, but this leaves a Cost pressure of £100K which will be contained by drawing down on reserves earmarked for this purpose.	
d.	Overspend due to cost of Social Workers in frontline child protection roles in Care Management and First Contact teams.			
e.	Forecast for current cohort of fostering places. Position has reverted to a small underspend with adoption referral income exceeding the budget set. However fostering demand remains high as there has been a net increase of 46 fostering placements from September to December (this includes a number of sibling groups). New internal foster carers have been recruited as part of a longer term strategy to reduce external placements.			
f.	Cessation of external carers support contract with duties taken in-house; early impact of saving for next financial year.

**Capital Programme Budget
Monitoring 2015/16**

Period 11

**as at 29th February 2016
Departmental Summary**

Capital Programme Monitoring Report – February 2016

1. Overall Budget Performance

The revised Capital budget for the 2015/16 financial year is £39.137million which includes all changes agreed at February Cabinet. Actual capital spend at 29th February is £30.060million representing approximately 77% of the revised budget. This is shown in Appendix 1. (Outstanding creditors totalling £0.376million have been removed from this figure).

The expenditure to date has been projected to year end and the outturn position is forecast to reflect the Project Manager's realistic expectation. This is broken down by Department as follows:

Department	Revised Budget 2015/16 £'000	Actual 2015/16 £'000	Expected outturn 2015/16 £'000	Latest Expected Variance to Revised Budget 2015/16 £'000	Previous Expected Variance to Revised Budget 2015/16 £'000
Corporate Services	4,858	2,527	3,429	(1,429)	(150)
People	10,633	8,808	10,633	-	-
Place	15,801	12,437	15,333	(468)	139

Total	39,137	30,060	37,240	(1,897)	(11)

The capital programme is expected to be financed as follows:

Department	External Funding			Total Budget £'000
	Council Budget £'000	Grant Budget £'000	Developer & Other Contributions £'000	
Corporate Services	4,791	67	-	4,858
People	268	10,365	-	10,633
Place	8,193	7,018	590	15,801
Housing Revenue Account (HRA)	7,767	-	78	7,845
Total	21,019	17,450	668	39,137

The funding mix for the total programme could change depending on how much grant and external contributions are received by the Council by the end of the year.

The grants and external contributions position to 29th February is as follows:

Department	Grant Budget	Developer & Other Contributions Budget	Total external funding budget	External funding received	External funding outstanding
	£'000	£'000	£'000	£'000	£'000
Corporate Services	67	-	67	67	-

2. Department Budget Performance

Department for Corporate Services

The revised capital budget for the Department for Corporate Services is £4.858million. The budget is distributed across various scheme areas as follows

Department for Corporate Services	Revised Budget 2015/16 £'000	Actual 2015/16 £'000	Expected outturn 2015/16 £'000	Latest Forecast Variance to Year End 2015/16 £'000	Previous Forecast Variance to Year End 2015/16 £'000

Remaining budget	38

Actual spend at 29th February stands at £2.527million. This represents 52% of the total available budget.

Accommodation Strategy - Main

All works to the toilets and first aid room have now been completed. Some additional costs have occurred with the Civic 2 refurbishment resulting in an overspend of £25k which will be funded from a revenue contribution from Corporate Services.

Queensway

The Ground Penetrating Radar scheme is focused on determining the location of gas pipes, electricity cables and drainage around the Queensway site. The radar is able to give accurate location information within 100mm. The carriageway works took place during February but the remaining footway works are more labour intensive and will not take place until 2016/17. The remaining budget of £132k will be included as an adjustment to the approved capital programme in the report to June Cabinet.

Tickfield

All building works have now been completed at Tickfield.

Asset Management (Property)

The toilet refurbishment at Thorpe Hall is progressing and the demolition is now complete. Services and refurbishment works are now being tendered.

The East Street cottages have now been sold and no further expenditure is expected. The remaining budget of £3k is therefore not required and will be removed from the capital programme in the report to June Cabinet.

The repairs to the Pier north end roof have been completed and the scheme has come in £4k under budget. This will be removed from the capital programme in the report to June Cabinet.

Various schemes are on-going to carry out urgent works to properties within the asset management portfolio. A carry forward request of £5k will be required in the report to June Cabinet to continue the works in 2016/17.

Cemeteries and Crematorium

The Essential Crematorium Equipment budget has been allocated for a replacement fire alarm system in the Crematorium. These works were completed on 8th March.

The project to acquire land for the new burial ground is currently on hold however the contingency plan to develop a small plot of existing land identified in Sutton Road Cemetery is being progressed. Most of the overgrowth has now been cleared on site and although there has been a slight delay due to the weather, the scheme remains on target.

ICT

The contracts have now been signed for the reprovision of Carefirst and the system is expected to go live during October 2016.

The Digital Strategy Programme Board agreed the Early Years and Transport modules for the Capita One developments in December. The Transport module is now complete with the Early Years module currently in progress.

The Hybrid Cloud Data Centre tender has been published on Contracts Finder as part of the ICT Core Infrastructure scheme. The purchase order has been placed in March and the delivery is scheduled for April 2016. A carry forward request of £1.310million will be in the report to June Cabinet.

Priority Works

The Priority works provision budget currently has £38k remaining unallocated.

Summary

Carry forward requests to be included in the report to June Cabinet are £132k for the Queensway Ground Penetrating Radar, £5k for Urgent Works to Properties and £1.310million for the ICT Core Infrastructure scheme.

An over-spend of £25k is reported on the Accommodation Strategy scheme and this will be funded from a revenue contribution from Corporate Services.

Budgets to be removed from the capital programme include £4k for the Pier North End repairs scheme and £3k for East Street Cottages.

Department for People

The revised Department for People budget totals £10.633million.

Department for People	Revised Budget 2015/16 £'000	Actual 2015/16 £'000	Expected outturn 2015/16 £'000	Latest Expected Variance to Year End 2015/16 £'000	Previous Expected Variance to Year End 2015/16 £'000

Primary School Places	7,574	6,180	7,574	-	-
Total	10,633	8,808	10,633	-	-

Actual spend at 29th February stands at £8.808million. This represents 83% of the total available budget.

Adult Social Care

The Adult Social Care budget consists of the Community Capacity grant which includes £172k for the Care Act capital scheme. Part of the Community Capacity grant will be spent on major adaptations that will enable vulnerable individuals to remain in their own homes and to assist in avoiding delayed discharges from hospital.

The Dementia Friendly Environments budget has been allocated to enhance Delaware House and the dementia garden. These works are progressing well and will continue into 2016/17.

General Fund Housing

The Private Sector Renewal scheme is in place to ensure that the private sector stock is kept in a good condition. 15 new cases are currently on hold pending review and they are expected to restart in 2016/17.

The Empty Dwellings Management scheme is currently concentrating on bringing more empty homes back into use. Several empty homes projects are on-going however it is likely that they will not complete until 2016/17.

Children & Learning Other Schemes

Retentions of £57k are being held for Kingsdown Special School roof works and will be paid once outstanding snagging and defects works are completed and fully signed off. This figure is included in the creditors shown above. The Hinguar Primary School project is now signed off and a final retention of £6k will be paid before the end of the financial year.

Condition Schemes

A budget of £1.233m has been allocated to address larger conditions in schools where the cost is over the schools capabilities to fund. Most of these works are either complete or in the final stages. Retentions of £27k are being held for works completed in 2014/15 at eight primary schools. This figure is included in the creditors shown above.

Devolved Formula Capital

This is an annual devolution of dedicated capital grant to all maintained schools. The grant for 2015/16 is £310k.

Primary School Places

Capital expansions, both permanent and temporary are on-going to supply primary places to meet significant increased demands. In 2015/16, spend of £7.574m is programmed. This covers large, multi-year projects at St Helen's Catholic Primary, Sacred Heart Catholic Primary, Hamstel Infant and Juniors, The Federation of Greenways Schools and St Mary's Prittlewell C of E Primary. Works at Darlinghurst Primary School and Porters Grange Primary Schools have now been completed.

A further £51k is also being held as retention payments against works completed in 2014/15 on smaller expansion projects. This figure is included in the creditors shown above.

Department for Place

The revised capital budget for the Department for Place is £15.801million. This includes all changes approved at February Cabinet. The budget is distributed across various scheme areas as follows:

Department for Place	Revised Budget 2015/16 £'000	Actual 2015/16 £'000	Expected outturn 2015/16 £'000	Latest Expected Variance to Year End 2015/16 £'000	Previous Expected Variance to Year End 2015/16 £'000

Energy Saving Projects	1,493	883	941	(552)	-
Total	15,801	12,437	15,333	(468)	139

Actual spend at 29th February stands at £12.437million. This represents 79% of the total available budget.

Culture

The resurfacing works are now complete at Chalkwell Park Tennis Courts with only minor repairs and re-lining of the courts outstanding.

Tender evaluations for the Prittlewell Prince storage showcase contract have been completed and the successful bidder has been notified. Initial meetings have been set up and display cases are scheduled for delivery in May.

External works above the Maritime Room at the Cliffs Pavilion are on-going with a scheduled completion date of March 2016. A specification for tender for the under-croft piping replacement is currently with Property Services for specification. As the works will impact on the heating in the auditorium, some of the works will not be completed until 2016/17.

Various works are taking place at the Palace Theatre with the installation of the fire exit currently out to tender. These works are unlikely to commence until the new financial year due to the complexity of gaining planning consent for a historic listed building. Planning and

listed building consent is also required for the replacement of the windows which is currently causing some delays to the project.

Delays are currently occurring on the refurbishment of the war memorials within the Borough due to the availability of specialist contractors. There is currently great demand for this kind of work given the focus on the 100 year commemorative anniversary. Orders have been raised for railings at Priory park and delivery is scheduled before the end of the financial year.

Enterprise, Tourism & Regeneration

The Regeneration projects include all the work currently taking place on Southend Pier and the City Deal Incubation Centre as well as the Coastal Communities Fund.

A scheme for additional offices in the Hive as part of the City Deal Incubation Centre scheme has been drawn up and some low level changes have been identified to the proposed scheme. These are now being reworked for agreement.

A sub-structural works contractor has now been appointed for the structural repairs on Southend Pier. Orders have been placed although works are not expected to complete until September.

The concrete works on the Prince George Extension works on the Pier have come in over tender which has caused some delays to the project. Some localised repairs are being carried out.

Coastal Defence and Foreshore

Works for the Cliff Stabilisation at Clifton Drive commenced on 12th April. £25k has been transferred from Asset Management to part fund the equipment trench. The works on the trench have come in £25k over this budget along with £137k additional works due to unexpected ground conditions therefore a total pressure of £162k is currently reported. This will be financed by an under-spend reported on the LTP schemes.

Highways and Infrastructure

All approved programmed works have now completed under the planned maintenance scheme. The remaining funds are to be spent on a collapsing section of the junction at Prittlewell Chase and Highfield Gardens.

Further discussions have taken place with Network Rail about moving the fence separating the Cinder Path from Essex Thameside Rail Link. Once the estimate has been received from the contractor, works can be programmed to coincide with the next appropriate rail possession. Resurfacing of the widened Cinder Path can then commence. It is anticipated that works will commence in the new financial year.

The revised Street Lighting budget is a multi-million pound, multi-year scheme to be part funded by the Challenge fund from the Department for Transport. The A127 from Kent Elms to Cuckoo Corner is complete and from Kent Elms to the borough boundary is scheduled for completion by the end of March. The contract for the Central Management System (CMS) has been signed off by procurement and legal and a presentation on the system will be made at the next project board meeting.

Parking Management

Works to the Civic Centre North car park are now complete. Remaining funding will be utilised for works to improve the other Borough car parks.

Section 38 and Section 106 Schemes

There are a number of S38 and S106 schemes all at various stages. The larger schemes include works to Fossetts Farm Bridleway and North Shoebury Road.

Local Transport Plans (LTP Schemes)

Various schemes are now underway for Better Networks and Better Sustainable Transport. Works to the Better Operations of Traffic Control Systems are now complete.

Programmed resurfacing works under the maintenance scheme have been completed and further works are scheduled for resurfacing and kerb works at Western Road to utilise the remainder of the budget.

Underspend of £162k will be used to fund the works on Clifton Drive Stabilisation Works.

Local Growth Fund

The A127 Growth Corridor projects will support the predicted growth associated with London Southend Airport and the Joint Area Action Plan (JAAP) proposals developed by Southend, Rochford and Essex County Councils to release land and create 7,380 high value jobs on new business. The improvement will also support background growth of Southend and Rochford.

The business cases for A127 Kent Elms and Bridge and Highway Maintenance have been approved by South East Local Enterprise Partnership to draw down 2015/16 funding. Further work is underway to support the business cases for 2016/17 onwards. 2015/16 works for Kent Elms will be focussing on the design and construction of the advance surface crossing works and design and survey work for the main junction improvement works. The final account is still being negotiated with the contractor with the view to be agreed by the end of March. Further drainage surveys are required and will be undertaken in February. A bridge survey has taken place and the highways team are currently awaiting the report. Works on the Bell junction will be focussing on survey work to inform the design for the main junction improvement works. Once Kent Elms survey works have been received and reviewed, similar surveys will be commissioned for the Bell. Bridge and Highway Maintenance will be focussing on investigation works for the improvement to the A127 corridor. Surfacing works are complete to the eastbound section of the A127 from the boundary to just prior to the Progress Road improvement works. The estimate for pavement surveys is currently being reviewed and a quotation for drainage, lighting and safety barrier surveys is being prepared.

The Clean Air Act independent analysis report has been received for the Southend Central Area Action Plan (SCAAP) Growth Point for non-transport schemes and the scheme is being finalised taking that into account. The lift works are out to tender and works are scheduled to begin in the new financial year. A carry forward request of £55k will be included in the report to June Cabinet.

Transport

Main works on the A127 Tesco junction improvements are complete. Traffic signal monitoring will continue to be adjusted as necessary. UK Power Network trench defects are still to be rectified by the contractor.

Minor adjustments to traffic signals on Progress road are yet to be completed.

Southend Transport Model is an on-going scheme to support various multi modal transport projects.

Waste

There are commitments for the year in relation to the Commercial Waste and Recycling Centre which will involve ground works, a salt dome and refurbishment of the toilets. Some disused buried structures and contaminated soil have been discovered on site and this has slightly delayed the project. Works are on-going with an expected completion date before the end of the year. Final snagging works are to be carried out and the final accounts are to be reviewed. An over-spend of £139k is currently reported and an investigation into this is currently being carried out and the resultant figure will be funded from within the Place Department budget by a relevant virement.

Energy Saving Projects

The biomass boilers are currently awaiting planning permission as part of the energy project at Southend Adult Community College. The tender has been issued for the lighting and heating controls which will take place in 2016/17. A carry forward request of £146k will be included in the report to June Cabinet.

The biomass boiler is complete at Temple Sutton School apart from a few final issues. The tender has been issued for lighting, insulation and heating controls and this work will take place in 2016/17. A carry forward request of £134k will be included in the report to June cabinet.

The energy scheme at Eastwood Schools will involve the installation of solar panels and the works have now received approval at the Board of Governors. Only £5k is expected to be spent in 2015/16 therefore the remaining budget of £155k will be included in the report to June Cabinet as a carry forward request.

The removal of the low loss header at the Civic Centre is scheduled for after the winter season once the heating is no longer required. A carry forward request of £12k will be included in the report to June Cabinet to carry out these works in 2016/17.

The Biomass boiler is ready to go to planning for the Beecroft and Central Museum energy project following the flue design review. Tenders have been issued for the lift works and the ventilation and heating upgrade designs are progressing. A carry forward request of £86k will be included in the report to June Cabinet.

The LED lighting for the Civic Centre underground car park is being integrated as part of the resurfacing works programme. This is scheduled for 2016/17 and therefore the full budget of £19k will be included in the report to June Cabinet.

Summary

Carry forward requests to be included in the report to June Cabinet are Civic Centre boilers for £12k, Beecroft and Central Museum energy project for £86k, Eastwood Schools energy project for £155k, LED lighting in Civic Centre car park for £19k, Southend Adult Community College energy project for £146k, Temple Sutton School energy project for £134k and Local Growth fund Non-Transport for £55k.

There is currently an over-spend of £139k on the Short Street Depot scheme which is being investigated and a relevant virement will be identified from the Place Department budget.

A pressure of £162k has been identified on the Cliffs Stabilisation scheme which will be financed by an under-spend on LTP schemes.

Housing Revenue Account

The revised budget for the Housing Revenue Account capital programme for 2015/16 is £7.845million. The latest budget and spend position is as follows:

Housing Revenue Account	Revised Budget 2015/16 £'000	Actual 2015/16 £'000	Expected outturn 2015/16 £'000	Forecast Variance to Year End 2015/16 £'000	Previous Forecast Variance to Year End 2015/16 £'000

Council House Adaptations	500	477	500	-	-
32 Byron Avenue	16	-	16	-	-
Other HRA	335	195	335	-	-
Total	7,845	6,288	7,845	-	-

The actual spend at 29th February of £6.288million represents 80% of the HRA capital budget.

Decent Homes Programme

The on-going Decent Homes schemes are continuing in 2015/16. Kitchens, bathrooms and electrical works have now completed. The lift upgrade works at Pennine have been completed and the final account is being prepared. A two week cavity wall insulation project at Shelley Square is scheduled to be carried out in March and contractors are on site at Temple Court for the roof replacement project.

Council House Adaptions

This budget relates to minor and major adaptations in council dwellings. Spend depends on the demand for these adaptations and works are currently in progress for 2015/16.

32 Byron Avenue

The build at 32 Byron Avenue is now complete and settlement of the final accounts is expected by the end of the financial year.

Other HRA

The plan for the HRA Land Review scheme is to construct 18 housing units within the Shoeburyness ward. The contractor has now been appointed and detailed design drawings are being finalised. The sites have been handed over to the contractor and they have constructed their site set up. Demolition of the garages commenced on 14th March and will last four weeks.

People Scrutiny Committee

12th April 2016

Report prepared by:
Fiona Abbott

Scrutiny Committee - updates

A Part 1 Agenda Item

1. Purpose of Report

To update the Committee on a number of matters, as follows:

- Urological cancer surgery in Essex;
- South Essex – NHS England and proposals for PET CT scanner;
- Prescribing of gluten free foods
- Southend LSCB Scrutiny Panel and Southend Adults Board Scrutiny Panel;
- Success Regime; and
- Quality Account.

2. Recommendations

- 2.1 That the report and any actions taken be noted.
- 2.2 That two Councillors from the Scrutiny Committee be appointed to sit on the Joint Committee looking at PET CT scanner in south Essex.
- 2.3 To recommend to Council to agree an addition to paragraph 9 of Part 3 Schedule 2 of the Constitution as set out in **Appendix 2**

3. Complex urological cancer surgery in Essex

- 3.1 The Committee will be aware that a Joint Committee has been established with Essex and Thurrock Councils to review the proposed changes to the provision of specialised urological cancer surgery in Essex. The Committee received a further brief update on issues at the meeting on 1st December 2015 (Minute 445 refers).
- 3.2 NHS England is looking to concentrate the most complex specialist surgery for prostate, bladder and kidney cancers at one centre in Essex. The purpose of the Joint Committee is to consider these proposals, particularly in relation to:
 - the extent to which the proposals are in the interests of the health service in Essex, Southend and Thurrock;
 - the impact of the proposals on patient and carer experience and outcomes and on their health and well-being;
 - the quality of the clinical evidence underlying the proposals;
 - the extent to which the proposals are financially sustainable;

- to make a response to NHS England and other appropriate agencies on the proposals, at appropriate times during the pre-tender and evaluation processes;
 - to consider and comment on the extent to which patients and the public have been involved in the development of the proposals and the extent to which their views have been taken into account.
- 3.3 The single-centre model has been agreed in principle with the five Essex Acute Trusts. NHS England has met with the Trusts and the expressions of interest /invitation to tender documentation has been formally sent out to the Trusts.
- 3.4 As part of the communications strategy, some planned public information events were held in January and early February. Councillors Walker, Buckley and Nevin attended the session in Southend on 25th January 2016.
- 3.5 The Joint Committee met on 9th March 2016 at County Hall, Chelmsford. The papers for the meeting are available electronically on our website. Cllr Nevin was appointed Vice Chairman of the Committee. The Committee received a detailed project update from NHS England and that two formal expressions of interest have been received from Colchester Hospital and Southend University Hospital. A further meeting is likely to be held in mid May 2016.

The Committee is asked to note this update.

4. South Essex – NHS England proposals for PET CT scanner

- 4.1 On 1st December 2015 the Committee considered the communications and engagement underway / planned by NHS England in connection with proposals for the future location of a PET CT scanner to serve the south of the county. The Committee also received written representations from clinicians based at Southend Hospital which had been sent to NHS England. (Minute 445 refers)
- 4.2 The Committee had previously supported the proposals by NHS England to move the PET CT scanner service to the existing fixed scanner at Southend Hospital as it offers the best long term benefits for patients and supported the (then) timescale for implementation (Minute 326 refers). However, Thurrock HOSC rejected the proposals and Essex HOSC asked for more engagement and information.
- 4.3 At the meeting in December, the Committee noted the revised engagement and consultation but felt that the location of the scanner should be Southend Hospital. A letter was sent to NHS England and this is attached at **Appendix 1.**
- 4.4 Following this, further communications have been received from NHS England, including further consultation events / engagement. (Copies are in members lounge). A copy of the survey available at the road show held in Southend is also in the member lounge. NHS England has also advised that a decision will not be made until after sufficient clinical, patient and public engagement has taken place.
- 4.5 A further communication from NHS England was received in early March and circulated to the Committee. The Chief Executive of Southend Hospital has also written to the Chairman on this matter.

- 4.6 As a way forward, it is proposed to establish a Joint Committee with Southend, Essex and Thurrock Scrutiny Committees. The terms of reference are to be agreed, and will focus on the engagement and governance processes. It is recommended that 2 Councillors from the People Scrutiny are nominated to sit on the Joint Committee.

5 Prescribing of gluten free foods

- 5.1 In February 2016, NHS Southend CCG provided information outlining proposed changes to the prescribing of gluten free foods, as follows:-

NHS Southend CCG (jointly with NHS Castle Point and Rochford CCG) is looking to engage with Southend residents for a three week period with a view to stopping or further restricting the prescribing of gluten free foods.

Currently patients who are diagnosed with Coeliac Disease are able to obtain gluten-free foods through prescriptions. Southend CCG currently spends approximately £80,000 per year on such prescriptions. Over 50% of this is for bread products with the remainder being for pasta, flour, cereals, cakes and biscuits. These products used to be difficult to source but are now widely available in the supermarkets and - whilst still more expensive than gluten containing products - the prices have significantly reduced.

Other CCGs both locally and nationally have either stopped the prescribing of these foods or are currently considering this course of action.

The CCG is also looking to develop an information leaflet for patients who need to have a gluten-free diet with useful tips and information.

Paul Ilett
Head of Communications and Engagement

- 5.2 The changes would affect around 250 patients in Southend-on-Sea (500 across CP&R and Southend areas) and assuming it goes ahead, an implementation date of 1st April 2016. An update response from the CCG on this matter is outstanding.

6. Southend LSCB Scrutiny Panel and Southend Adults Board Scrutiny Panel

- 6.1 Southend Local Safeguarding Children Board (LSCB) – The Local Safeguarding Children Board (LSCB) is a statutory partnership responsible for co-ordinating and monitoring the effectiveness of safeguarding children arrangements in all agencies. The remit of the Board was extended in 2009 to include in its membership the lead member for children’s services, as a ‘participant observer’.
- 6.2 The Southend LSCB Scrutiny Panel was established in 2008. The Panel’s membership comprises 8 members of the People Scrutiny Cttee, appointed at the annual appointments Council. The Executive Councillor attends the meetings to enable him / her to operate as a well informed participant of the Board. The Panel scrutinises the papers of the upcoming Board meeting.
- 6.3 Southend Safeguarding Adults Board (SAB) – the Safeguarding Adults Board (SAB) became a statutory partnership from April 2015, responsible for co-ordinating and monitoring the effectiveness of safeguarding adults arrangements in all agencies. The SAB works in partnership with the LSCB and Health and Wellbeing Board to provide strategic leadership across all services. It would

seem sensible for this Board to have similar scrutiny oversight arrangements and for a Panel to scrutinise it, which is something the Board has recommended. It is recommended that the remit of the existing Scrutiny Panel is widened so that a single Panel scrutinises both the LSCB and SAB.

- 6.4 It is therefore recommended to Council to make an addition to Part 3, Schedule 2 of the Constitution, as set out in **Appendix 2**.

7. Other matters

- 7.1 Independent Chair of Mid and South Essex Success regime – Dr Anita Donley has been appointed as independent chair, taking up the position from 1st April. The press release from NHS England is at **Appendix 3**¹.

The Committee is asked to note that Essex HOSC have invited Andrew Pike, NHS England to a meeting on the afternoon of 14th April 2016 to discuss the Success Regime. The Chairman & Cllr Davidson have indicated they will attend and any other Committee members are welcome to attend if they are able.

Citizen Engagement in the Success Regime – information has been circulated to Committee members regarding this event on Monday 18th April.

- 7.2 Draft Quality Report / Accounts 2015/16 – the Scrutiny Committee, as a statutory consultee is invited to comment on the draft Quality Accounts received from health bodies. In 2015, draft Quality Accounts from South Essex Partnership Trust (SEPT) and Southend Hospital were received in early May. The documents were shared with the then Chairman and Vice Chairman and in view of the timescales for a response; both Trusts were advised that the Scrutiny Committee was unable to submit a formal response.

At the meeting last July 2015, the Committee agreed that in future years, any Quality Accounts which are received should be circulated to committee members for any comments and for a submission to be sent to the Trusts in the time frame (Minute 139 refers).

SEPT have advised that they will be sending the draft Quality Account on 22nd April 2016 and the document will be circulated to the Committee as soon as it is received. There is a requirement that any comments must be received by 22nd May. Information from Southend Hospital is currently awaited.

8. Corporate Implications

- 8.1 Contribution to Council's Vision and Critical Priorities – Becoming an excellent and high performing organisation.
- 8.2 Financial Implications – There are no financial implications arising from the contents of this report. The cost of the Joint Committee work can be met from existing resources.
- 8.3 Legal Implications – Where an NHS body consults more than one local authority on a proposal for substantial development of the health service or a substantial variation in the provision of such a service, those authorities are required to

appoint a joint committee for the purposes of the consultation. Only that joint committee may - make comments on the proposal to the NHS body; require the provision of information about the proposal; require an officer of the NHS body to attend before it to answer questions in connection with the proposal.

8.4 People Implications – none.

8.5 Property Implications – none.

8.6 Consultation – as described in report.

8.7 Equalities Impact Assessment – none.

Dear Ms Ashmore,

South Essex PET-CT Service

I am writing to you regarding the above matter.

At the meeting held in October 2015, the People Scrutiny Committee, which acts as the health scrutiny committee at Southend, was advised about proposals to move the PET CT service to the existing fixed scanner at Southend Hospital (Minute 326 refers). The Committee resolved to support the proposals by NHS England to move the PET-CT service to the existing fixed scanner at Southend Hospital, as it offers the best long term benefits for patients and the future of the PET-CT service and to support the timescale for implementation.

At the meeting on 1st December 2015, the Committee was advised that NHS England have not taken a decision on the future location of the scanner and are undertaking some further clinical and stakeholder engagement. This is because the Thurrock and Essex Scrutiny Committees had taken a different position. A briefing paper provided by yourselves was also considered by the Committee.

A letter from clinicians at Southend Hospital dated 20th November 2015 which had been sent to NHS England on this matter was tabled at the meeting. This supported the position to activate the static PET CT scanner already based on the Southend Hospital site. I attach a further copy for your information.

At the meeting, the Committee noted the proposed engagement and that the consultation has been extended to allow for more effective and clinical engagement which will now conclude in January 2016 and urged NHS England to reach a decision on the location of the PET-CT scanner.

For the reasons discussed at the meeting, the Committee felt that the location should be Southend Hospital and resolved that an urgent letter be sent to NHS England regarding the location of the PET-CT scanner (Minute 445 refers).

The Committee feels that the clinical case is strong and urges the Regional Executive Team of NHS England to mobilise / activate the static PET-CT scanner which is already based on the Southend Hospital in the new year.

We look forward to hearing from you shortly.

Yours sincerely

9. Other Forums, Panels and Bodies – Reporting to the Council or Elsewhere (but not to the Cabinet)

Add new:-

9.8 Southend LSCB / SAB Scrutiny Panel

9.8.1 Membership

8 Members of the Council, from the People Scrutiny Committee
The Executive Councillor for Children & Learning and the Executive Councillor for Health & Adult Social Care to attend the meetings as ‘participant observers’.

Substitutes: Permitted in accordance with Standing Order 31
Proportionality: By convention political proportionality shall apply

Plus non-executive members of partners’ Boards.

9.8.2 Quorum

3

9.8.3 Terms of Reference

(a) to scrutinise the work of the LSCB and SAB to ensure it is effective in monitoring and coordinating the safeguarding of children and adults in Southend and it is representative of the needs and views of the Southend community.

(b) feed back any safeguarding issues identified to the LSCB / SAB and relevant partner agencies.

(c) Champion the safeguarding of children / adults within partner agency boards.

(d) Represent the views and interests of the Southend community.

(e) Receive from the Executive reports on progress to implement actions arising from issues identified by the Panel and agreed by the LSCB / SAB.

(f) In executing its role Scrutiny Panel will scrutinise the Board agendas, reviewing items suggested by the chair of the Executive, and any other items it requests.

(g) The Panel may invite officers of partner agencies to attend meetings where it wishes to improve its knowledge of safeguarding processes and procedures.

(h) For the avoidance of doubt:

- The focus of the Panel is not to scrutinise the minutia of every item on the Board agendas, but rather to identify matters of concern/interest to panel members and address these matters in depth
- It is not the role of the Panel to scrutinise the work of partner agencies outside of the Board agendas. Where Panel members identify safeguarding children issues in the community not already covered by the Board agendas these should be raised by the relevant Lead Member with the Boards, who will agree any relevant action
- The Panel may invite officers of partner agencies to attend meetings where it wishes to improve its knowledge of safeguarding children processes and procedures.
- The Panel may not invite officers of partner agencies to attend meetings in order to scrutinise the safeguarding efficacy of those agencies, which is the role of the LSCB / SAB.

Independent Chair appointed for Mid and South Essex Success Regime

The Mid and South Essex Success Regime confirms the appointment of Dr Anita Donley as independent chair. Dr Donley will be in post from 1 April, but intends to start meeting local health and care leaders in Essex as soon as possible.

Dr Donley is a practising consultant physician in acute medicine at Plymouth Hospitals NHS Trust, with an interest in care for older people. She is also clinical vice-president of the Royal College of Physicians, a role she has held since election in 2013.

For the Royal College of Physicians (RCP), Anita chairs the *Future Hospital Programme*. The programme helps hospitals and health services to transform care and improve quality, access and sustainability in order to meet patients' needs today and in the future.

In previous national roles, she was national clinical director for VTE (venous thromboembolism), medical director of the national Medical Revalidation Programme and founder board member and chair of the statutory training committee for the Postgraduate Medical Education and Training Board (PMETB), a regulatory body for medical postgraduate training.

Speaking on behalf of the tripartite of national organisations, Monitor, NHS England and the Trust Development Authority, Andrew Pike, Director of Operational Commissioning, NHS England (East) said;

“We are extremely pleased to welcome Dr Donley with her vast clinical and leadership experience. While she is a national expert on health service transformation, she is also a local

clinician who cares for patients and works closely with a range of health and social care staff. Anita's insight will be a great benefit to the work in mid and south Essex."

Current interim chair of the Mid and South Essex Success Regime and Managing Director of UCLPartners, Professor Sir David Fish, said;

"I am delighted to see the appointment of Anita Donley to this role. I have personally found it a great privilege to work with the team in Mid and South Essex and to see first-hand the tremendous progress they have made so far. The learnings from their work are an important resource that can be shared widely to help address challenges faced in other regions, including across UCLPartners, and indeed nationally, and I am pleased to offer continued support."

Dr Anita Donley said;

"I am really looking forward to joining everyone in mid and south Essex to improve NHS services. All over the NHS, we face increasing demand for healthcare, but we need to create the right local solutions based on the expertise and knowledge of local people, communities, healthcare professionals and organisations. At the same time, we have the opportunity to draw on experience and best practice of what works well elsewhere and see what we can adapt to develop high quality, safe and sustainable NHS services in Essex. I want to help ensure that all voices are heard and local health services benefit from the focus and support that the Success Regime brings to improving care."

Notes to editors

1. Other examples of Dr Anita Donley's relevant experience include:
 - chair of the RCP Care Quality Improvement Board, leading work on national audit, accreditation, patient safety and informatics
 - board member of the National Clinical Guidelines Centre
 - member of the recent NHS Confederation independent commission on the care of frail elderly people
 - member of the Royal College of General Practitioners' independent commission on future models of primary care

- member of the NHS England programme board for improving end of life care in hospitals.
2. The Mid and South Essex Success Regime is currently one of three such programmes concentrating on areas in the country where there are deep-rooted, systemic pressures. It is overseen jointly by a tripartite of national organisations - NHS England, NHS Trust Development Authority and Monitor, which looks after NHS Foundation Trusts. The other two Success Regimes are in Devon and Cumbria.
 3. The Success Regime is part of the NHS Five Year Forward View, which is a blueprint for the NHS to take decisive steps to secure high quality, joined-up care. The Success Regime offers an important opportunity for mid and south Essex by bringing management and financial support to local delivery and helping to unblock any barriers to change.
 4. Local clinicians, supported by managers, will drive change with the involvement of partners and local people.
 5. Work programmes will be governed locally through a System Leaders Group, led by the independent chair, and a number of working groups involving all of the local statutory health and care organisations.
