404 Housing and Development Pipeline Update

The Committee considered Minute 324 of Cabinet held on 17th September, 2019, which had been called in to Scrutiny, together with a report of the Executive Director (Finance and Resources) and the Deputy Chief Executive (People). This provided an update on the work underway in looking at the pipeline of housing and development opportunities across the Borough and presenting recommendations setting out the proposed way forward.

Resolved:-

That the following recommendations of Cabinet be noted:-

“1. That the progress of the first phase of housing and development pipeline sites currently in delivery as set out in Section 3.11 of the submitted report, be noted.

2. That the progress on the Acquisitions Programme for Council Housing as set out in Section 3.3 of the report, be noted.

3. That the work undertaken to date on the development land pipeline as set out in Section 3.5 of the report, be noted.

4. That £645,000 be allocated from existing capital reserves held within the General Fund and Housing Revenue Account as appropriate, in the first phase to enable the necessary initial site feasibility, due diligence, survey and high level design work to be commissioned to demonstrate viability (or otherwise) and enable a more detailed assessment of the number of units which could be delivered across the sites and, in relation to those suitable for joint venture opportunities, to establish appropriate objectives and bundling of sites. Following detailed feasibility, those sites which are proved to be viable will be presented to Cabinet for agreement on the preferred way forward for development in due course.

5. That PSP Southend LLP be invited to undertake the next stage of feasibility (to e2) for sites which the pipeline assessment work has indicated would be suitable for PSP delivery and for the Council to commission valuations for
these sites to establish the baseline values. At this stage PSP will work at their risk. Once these sites have been assessed in detail by PSP Southend LLP, recommendations will be made to Cabinet for the sites to be opted in to the LLP for delivery or for alternative approaches to be considered.

6. That negotiations be carried out to progress to update and re-brand PSP Southend LLP as set out in 3.21 of the submitted report. In particular so that the board and reporting structure can be aligned with other Council LLPs and companies, reporting in to the Shareholder Board and to delegate the agreement of the detailed arrangements to the Strategic Directors (Finance and Resources and Legal and Democratic Services) in consultation with the Leader of the Council.

7. That it be noted that the proposed amendments to the Ilfracombe Avenue site, specifically that the Library will not be located within the proposed housing development which is proposed to provide a housing-for-rent scheme which will include a planning policy level of affordable housing for rent (capped at Local Housing Allowance levels). Income from the development will be used to finance the capital borrowing required to complete the necessary condition works at the existing Southchurch Library.”

That the following decision of Cabinet be noted:-

“8. That, in principle, the Council is minded to enter into an income strip lease transaction in relation to the proposed residential development at Roots Hall subject to the completion of the relevant due diligence and to ensuring the long-term financial sustainability for the Council. To note that if a suitable transaction can be agreed, the terms of that transaction will be put to Cabinet for consideration.”

Note: The decisions in 1-7 above constitute a Council Function. The decision in 8 above constitutes an Executive Function.

410 Control Environment Assurance

The Committee considered Minute 338 of Cabinet held on 17th September, 2019, which had been called in to Scrutiny, together with a report of the Executive Director (Finance and Resources) on the proposed revisions to be made to the Control Environment in respect of Risk Management, Counter-Fraud, Bribery & Corruption, Counter Money Laundering, Whistleblowing and the Regulation of Investigatory Powers.
Councillor Shead asked if an addition could be made on page 3 of the Whistleblowing Policy to deal with the situation where a council officer decides to make a disclosure to a Councillor, rather than to another officer. In such circumstances the officer making the disclosure would need to meet a higher standard in order to attract employment protection, since a Councillor is not a “prescribed person” under the Public Information Disclosure Act 1998. Councillor Shead asked if the Council could extend the same protection “wherever possible”. The Executive Director (Legal and Democratic Services) said that he would investigate and advise.

In response to questions raised about the revised Policy and Procedures for undertaking surveillance pursuant to RIPA (Appendix E), the Executive Director (Legal & Democratic Services) explained that:-

- A Commissioned Fraud Investigation Service would necessarily undertake a range of activities in connection with that service. Occasionally surveillance may be required, although in 2018/19 there was no use of surveillance powers.

- It was logical that the body investigating a fraud should obtain the necessary authority for any surveillance - and it was quite lawful for the Commissioned Service to obtain that authority.

- Southend-on-Sea Borough Council has oversight of the Commissioned Service. Furthermore safeguards are in place to ensure any surveillance is carried out lawfully; most importantly an order must be obtained from the Magistrates’ Court for any proposed surveillance.

- The Fraud Investigation Service provided by Thurrock Council in fact ended in early October 2019, but it is reasonable to retain a general policy.

Resolved:-

1. That the following decisions of Cabinet be noted:-

   “1. That the revised Risk Management Policy Statement and Strategy set out in Appendix A to the submitted report (including the action plan included at Appendix A of that document) be approved.

2. That the revised Counter Fraud, Bribery & Corruption Policy and Strategy (Appendix B), the revised Counter Money Laundering Policy & Strategy (Appendix C) and the revised Whistleblowing Policy (Appendix D), be approved

3. That the revised Policy and Procedures for undertaking Directed Surveillance and the use of Covert Human Intelligence Sources (Appendix E) and also the detailed procedures for use of a CHIS as set out in the confidential Appendix F, (subject to the inclusion of an additional sentence under paragraph 7.2 in relation to the handling, storage and destruction of material obtained through the use of a CHIS) be approved.
4. That it be noted that:

(a) The Council has not used the surveillance powers available to it under RIPA between 1 April 2018 and the 31st March 2019 and neither has it used any CHIS during this period.

(b) Thurrock Council has not used any such powers on behalf of Southend-on-Sea Borough Council when undertaking Anti-Fraud work between 1 April 2018 and 31st March 2019.

5. That the staff training undertaken in 2018/19 and proposed training for 2019/20 in connection with RIPA, be noted.

6. That the regulation of CCTV activities be noted."

2. That, in accordance with Council Procedure Rule 39, the matter be referred to full Council.

Further to Minute 201 of its meeting held on 11th July 2019, the Committee considered the project plan in relation to the agreed joint in-depth scrutiny project 2019/20 entitled “How the council and councillors 1) communicate with local people and stakeholders and 2) facilitate engagement and participation.”

The Committee also received an oral update on the progress that had been made with the study to date.

Resolved:-

That the project plan be agreed.

Note:- This is a Scrutiny Function.

412 Exclusion of the Public

Resolved:-

That, under Section 100(A)(4) of the Local Government Act 1972, the public be excluded from the meeting for the item of business set out below, on the grounds that it would involve the likely disclosure of exempt information as defined in Part 1 of Schedule 12A to the Act and that the public interest in maintaining the exemption outweighs the public interest in disclosing the information.
The Committee considered Minute 342 of Cabinet held on 17th September, 2019, which had been called in to Scrutiny.

Resolved:-

1. That the following decision of Cabinet be noted:-

“That the confidential appendix, be endorsed (subject to the amendment referred to in Minute 338 (3).”
