5 Objections to Traffic Regulation Orders

The Cabinet Committee received a report of the Deputy Chief Executive (Place) that presented the representations that had been received in response to the statutory consultation for a traffic regulation order amending the (Cliffs Pavilion Area) (Prohibition of Waiting and Permit Parking Places) (Zone CP) Order 2016. The effect of the Order, if approved, would introduce permit parking places to facilitate the improvement of parking for residents in St. Vincent's Road, between the hours of 11.00 am to 9.00 pm daily.

The report sought the Cabinet Committee's approval on the way forward in respect of these proposals, after having considered the views of the Traffic Regulations Working Party following consideration of all the representations that had been received in writing and at the meeting. Large scale plans of the proposals were displayed at the meeting.

The Cabinet Committee noted the Working Party's concerns that the introduction of permit parking in this road in isolation would be likely to result in further displaced parking into the surrounding roads. It therefore:

Resolved:-

1. That the Southend-on-Sea Borough Council (Cliffs Pavilion Area) (Prohibition of Waiting & Permit Parking Places) (Zone CP) Order 2016 (Amendment No. 1) Order 2019 not be confirmed.
2. That consultation be undertaken to introduce permit parking in the roads in the wider area, the extent of which to be determined by officers in consultation with the Ward Councillors.

Reason for Decision

To improve parking for residents while reducing displacement of parking

Other Options

To confirm the order as advertised – this could result in the displacement of parking in the neighbouring roads.

6 Requests for Waiting Restrictions

The Cabinet Committee received a report of the Deputy Chief Executive (Place) that sought approval to authorise the advertisement of the amendments and/or new waiting restrictions at the locations indicated in Appendix 1 to the submitted report, in accordance with the statutory processes and, subject to there being no objections received following statutory advertisement, to arrange for the relevant orders to be sealed and implement the proposals.

In response to questions regarding the current situation of the outstanding requests included in the approved list of schemes that had been previously been considered by the former Traffic & Parking Working Party, the Cabinet Committee noted that the details would be investigated and progress circulated to the Councillors on the Traffic Regulations Working Party shortly.

With reference to the introduction of waiting restrictions in Lundy Close, the Cabinet Committee noted the request by the Traffic Regulations Working Party for additional waiting restrictions on the south side opposite the designated parking lay by.

With reference to the appointment of taxi stands, the Cabinet Committee was informed that these matters had been referred to the Licensing Sub Committee C at its meeting on 5th September 2019.

Having considered the views of the Traffic Regulations Working Party it was:-

Resolved:-
