**5 Traffic Regulation Orders Objections**

The Cabinet Committee received a report of the Executive Director (Neighbourhoods and Environment) that presented the representations that had been received in response to the statutory consultation for a traffic regulation orders in respect of the following:

(i) the introduction of no waiting between 1.00 p.m. to 3.00 p.m. Mondays to Fridays in Crosby Road, Leigh on Sea; and

(ii) the introduction of traffic calming measures in Thorpe Bay Gardens in the form of speed humps between its junction with St Augustine's Avenue and the hammer head at its eastern extremity.

The report sought the Cabinet Committee's approval on the way forward in respect of these proposals, after having considered the views of the Traffic Regulations Working Party following consideration of all the representations that had been received in writing and at the meeting. Details of the proposals were displayed at the meeting.

With reference to the introduction of waiting restrictions in Crosby Road, the Cabinet Committee noted the concerns that had been expressed by the Traffic Regulations Working Party regarding the timing of the restrictions, the reasons for implementing the restrictions and the possible implications should they be implemented as advertised.

Resolved:-

1. That, subject to the exclusion of the proposals for Crosby Road, the Southend-on-Sea Borough Council (Various Roads) (Stopping, Waiting, Loading and Unloading Prohibitions and Restrictions, Parking Places and Permit Parking Zones)(Consolidation) Order 2016 (Amendment No.12) Order 2019 be confirmed as advertised.

2. That the Executive Director (Neighbourhoods and Environment) be authorised to undertake the necessary steps to introduce an Experimental Traffic Regulation Order, under Sections 9 and 10 of the Road Traffic Regulation Act 1984, to introduce appropriate waiting restrictions in Crosby Road, Leigh-on-Sea and that the Executive Director (Neighbourhoods and Environment) be appointed as the specified officer of the authority who making the order, or to authorise any other appropriate officer, to modify or suspend the operation of the order or any provision of it if it as may be required, in accordance with the Act.

3. That, in accordance with Section 90 A-F of the Highways Act 1980, the Executive Director (Neighbourhoods and Environment) be authorised to arrange the construction of road humps, which will take the form of round top speed humps across the width of carriageway, in Thorpe Bay Gardens, Southend-on-Sea at the locations and in accordance with the dimensions set out in the Schedule published in the Statutory Notice.

**6 Petition - Eastern Esplanade - Request for provision of pedestrian crossings and extension of average speed monitoring scheme and installation of additional speed monitoring cameras**

Pursuant to Minute 442 of the meeting of Council held on 24<sup>th</sup> October 2019, the Cabinet Committee received a report of the Executive Director (Neighbourhoods and Environment) concerning the petition that had been submitted by Councillor Woodley on behalf of local residents requesting the introduction of more formal pedestrian crossings and the extension of the average speed monitoring scheme, with the installation of additional speed monitoring cameras, on Eastern Esplanade.

The Cabinet Committee noted that the petition sought additional pedestrian crossings in Eastern Esplanade. There were, however, other locations along the whole of the B1016, which included Eastern Esplanade, Thorpe Esplanade and Shoebury Common Road that could benefit from additional formalised pedestrian crossings.

Resolved:-

1. That the petitioner be thanked for taking the time to compile the petition.
2. That the request relating to the extension of the average speed monitoring scheme, with the installation of additional speed monitoring cameras, on Eastern Esplanade, be referred to the Essex Safety Camera Partnership for consideration.
3. That officers be requested to review the pedestrian crossing facilities on the B1016 and identify appropriate locations for the introduction of appropriate formalised pedestrian crossings, whether signal controlled or otherwise, for consideration by the Traffic Regulations Working Party and Cabinet Committee.
