### **543 Review of Fares and Charges**

The Committee received a report of the Executive Director (Neighbourhoods & Environment) the results of a consultation with the Southend Licensed Taxi Drivers Association (SLTDA) for an increase in the Hackney Carriage and Private Hire Vehicle fares and charges.

The Committee was reminded that, at its meeting on 23 March 2022, the Committee authorised an emergency temporary increase in charges to address the dramatic increase in fuel prices (Minute 852 refers). This increase was for a period of one year or the until an application is made by the trade for an increase. This temporary increase for the fuel surcharge would therefore cease should this application be approved and implemented.

The Committee was also reminded that, whilst this application was to seek the increase in fares for the passenger journey, there was a statutory requirement to advertise certain fees the taxi trade pay the Council for their licence. This review and statutory advertising period would be commencing shortly after Christmas.

Resolved:-

1. That the proposed changes to the fare chart structure be duly advertised.
2. That any objections to the proposed changes to the fare chart received during the statutory consultation period be submitted to the Licensing Committee for consideration.
3. That, in the event that no objections are received during the statutory consultation period, the revised fare chart set out at Appendix 1 to the submitted report be approved and implemented.
