1. **Introduction**

1.1 The School Admissions Code places a duty on local authorities to formulate a single scheme for co-ordinating all applications to all publically funded schools from parents in their area. In the Borough of Southend-on-Sea, the scheme applies to admissions into reception, year 3 and year 7. Schemes for admission to schools must be formulated by 1st January in the determination year.

1.2 Determined admission arrangements to be provided to the LA, for the inclusion in the composite prospectus, with the date and minute number from the Trust/LGB meeting.

2. **Aims and scope of the scheme**

2.1 **Aims of the scheme**

2.1.1 To facilitate the offer of one school place to each pupil.

2.1.2 To simplify for parents the admission process into schools through the use of a Common Application form (CAF).

2.1.3 To co-ordinate with neighbouring local authorities to avoid more than one school place being allocated to the same pupil.

2.2 **Scope of the Scheme**

2.2.1 The scheme applies to families who are resident in Southend who are seeking admission into: reception year in primary and infant schools; year 3 in primary and junior schools and year 7 in secondary schools. The scheme excludes post 16 pupils.

3. **Key Aspects of the Scheme.**

3.1 There will be co-ordination with other local authorities to ensure that a pupil only receives one offer.

3.2 Southend Borough Council (SBC) will co-ordinate admissions, for all schools including academy, community, foundation, free school and voluntary aided schools. Co-ordination is for all pupils into reception year, year 3 and year 7.

3.3 SBC will send offers of places to Southend residents even if the school is in another local authority. This includes offers on behalf of academy, community, foundation, free school and voluntary aided schools.

3.4 The CAF will enable parents to express:

- up to 3 preferences for admission to a primary school; or
- up to 5 preferences for admission to a secondary school.

3.5 Only SBC will know the ranking of the parental preferences. Preferences will be shared with other local authorities in so far as they relate to their schools. Parental
preferences may be shared with own admission authorities for the purposes of admission appeals.

3.6 In all cases academies, foundation, free school and voluntary aided schools will continue to be their own admission authorities, will apply their own criteria and will continue to be responsible for the organising of admission appeals.

4. General details of the scheme

4.1 Primary and secondary admissions up to the offer date

4.1.1 Parents will complete a Common Application Form (CAF) on which they will be able to express a preference for up to:
   - 3 primary schools in order of priority; or
   - 5 secondary schools in order of priority.

4.1.2 Parents will be advised to apply on-line for a school place at www.southend.gov.uk/admissions but will be able to complete a paper common application form if they wish.

4.1.3 All CAFs must be sent to SBC which is the only body that can make offers to Southend parents on behalf of primary and secondary schools.

4.1.4 Alerts of pupils that have not applied will be made available to current settings, on request from Nursery Schools, but completed by default with schools to identify any barriers preventing on-time applications being submitted.

4.1.5 Parents can express a preference for a school in another local authority as Southend co-ordinates admissions with other authorities. The offer of a place at a school in another local authority will be made by SBC on behalf of that local authority. Similarly other local authorities will offer places to their residents on behalf of Southend schools. The scheme requires councils to liaise before any offers are made on behalf of schools in the other council area.

4.1.6 The Southend coordinated scheme considers all preferences against the admissions criteria for the individual schools.

4.1.7 The CAF will detail which schools also require Supplementary Information Forms (SIFs). These may be obtained from either the school or the website. SIFs must be sent back to the individual school. SIFs for the Consortium of Selective Schools in Essex (CSSE) need to be downloaded from the CSSE website or by contacting the CSSE and completed forms need to be returned to the CSSE. These forms are not application forms and parents must complete the CAF. (See section 4.7 on SIFs and section 4.1.6 for the SIF for the Consortium of Selective Schools in Essex).

4.1.8 For each admission round there is a national closing date for receipt of the CAF. The deadline for receipt of any SIFs is set by individual schools and the Consortium of Selective Schools in Essex (CSSE). The date may be later than the national closing date. For registration for the selective test the closing date will be much earlier. Parents are encouraged to send in the CAF to SBC and any SIFs (if required) to the school as early as possible prior to the closing date.
4.1.9 If SBC receives any SIFs these will be forwarded onto the school or, where appropriate CSSE. Similarly if any school receives by mistake any CAFs these must be sent onto SBC.

4.1.10 Preliminary lists will be shared with voluntary aided schools to check CAFs against SIF’s submitted.

4.1.11 On-line applications will be downloaded into the admissions database. SBC will input into the admissions database all information shown on any paper CAF’s, including any reasons for the application, and will provide details to all academy, foundation, free school and voluntary aided schools.

4.1.12 SBC will send to other local authorities details of pupils who have applied to schools in their area and will receive from other local authorities details of their pupils who have applied to Southend schools. The respective councils will send to their own schools a list of pupils who have applied to the school which will include both Southend and their own residents. It has been agreed by schools that are part of the CSSE that both SBC and Essex will send information on those pupils who have applied to take the selective test direct to the consortium.

4.1.13 Pupils taking the selective test, or aptitude tests or auditions will need to register with CSSE or schools to make the necessary arrangements.

4.1.14 Academy, foundation, free school and voluntary aided schools and, where appropriate CSSE, are required to rank in order of the schools’ criteria all pupils who have applied to their school and to return these lists to SBC by the agreed date. Applications that are not matched to a SIF (or where there is no SIF), must still be ranked.

4.1.15 SBC will exchange information with other Local Authorities who will provide details of the ranking of Southend pupils who have applied to their schools.

4.1.16 SEN pupils will be accommodated if the named school is identified in the finalised EHCP by 15th February for Secondary and 27th March for Primary (or next working day) of any given year.

4.1.17 SEN and LAC pupils may need to be admitted over number on initial allocation (for offer day) and the School Admissions Team will manage the school back to the PAN until the last week of August at which time the Academy takes over.

4.1.18 SBC will match the parental preferences against the rank order lists provided by Southend schools.

4.1.17 The scheme operates according to the order in which parents select preferences. The order of preferences should reflect the order parents wish to be offered a place, but if for example parents are unsuccessful in gaining a place for the first preference school they are not disadvantaged in obtaining their second preference or their third preference etc. Schools do not receive details of the preference and have to put pupils in order of their admission criteria without knowing the preference. The process will continue until all preferences are exhausted.

4.1.18 SBC will provide any other local authority with details of any pupils resident in their area who can be offered places at schools in the Borough (and vice versa).
4.1.19 Where possible SBC will share allocation lists to schools and the CSSE as appropriate, before offer day. This will be dependent on the process being complete before offer day. Schools will be notified if it is not possible to send the lists to them. When lists can be sent schools will be reminded of section 2.10 of The School Admissions Code 2014, in that school must not contact parents about the outcome of the applications until after these offers have been received. Schools must be mindful that parents that made a paper application may not receive the offer of a place for one or two days after the offer date.

4.1.20 SBC will send an offer of a single place to pupils applying for a school places on the offer day.

4.1.21 Parents who completed an online application will be advised of the outcome of their application by email on offer day. Unless they indicate on the CAF that they would prefer a response by letter.

4.1.22 Parents who completed a paper CAF will be advised of the outcome of their application by 1st class post on offer day. Parents should expect to receive the letter within 1 to 2 days of the offer day.

4.1.23 Offers are automatically recorded as ‘accepted’ and parents will be given 10 school days to notify the LA if they wish to reject an offer of a school place. Parents who applied online will be able to do this by using the online facility.

4.1.24 For any pupil who has not been allocated a place at one of their expressed preferences SBC will offer them a place at the school in the Borough nearest to the home address with vacancies at that time. Such offers will not be made to selective or faith schools.

4.1.25 Any places (that are in demand) will be reallocated if parents advise SBC that they no longer require a place.

4.2 **Summer Born Children**

4.2.1 In the case of children born prematurely or the late summer months* parents may request admission outside the normal age group.

*Summer born age: DfE ‘Advice on the admission of summer born children’ July 2013: ‘Children born from the beginning of April to the end of August reach compulsory school age on 31 August. It is likely that most requests for children to be admitted out of their normal year group will come from parents of children born in the later summer months or those born prematurely’.

4.2.2 There is no statutory barrier to children being admitted outside their normal year group. Due to the impact on future years for a child’s schooling, requests to delay admission are very carefully considered by both the admitting authority and the parents. The decision to admit outside of a child’s normal age group is made on the basis of the circumstances of each case.

Parents may submit requests to the LA for any community schools and directly to own admission authorities for Academy schools.
Any decision will seek an outcome in the best interest for the child and for community schools will be considered by a Panel of relevant persons. Parents applying for schools outside the Borough of Southend will need to consult the respective LA’s policy in this regard.

The following items apply to the LA, for community schools only:-

4.2.3 Parents submitting a request for admission outside the normal age group must also complete the Common Application Form during the main admission round, 14th September – 15th January. Parents will need to provide the detailed reasons for their request including any supporting evidence from relevant professionals to enable their request to be given proper consideration.

4.2.4 The panel will only consider ‘admission outside the normal age group’, that is, whether or not a child can start school the year after they turn 5 years of age in the Reception year and not in year 1. The panel will not consider requests for deferment within the reception year as requests can be made by parents directly to the Headteacher of the allocated school (School Admissions Code 2014 section 2.16).

4.2.5 The panel will normally consider applications from parents of children born prematurely or in the last summer months for admission outside the normal age group.

The following items apply for all applications, LA or OAA decision:-

4.2.6 If the parents case for delayed admission into reception is upheld by the panel, or the Own Admission Authority a new application for a place in the next cohort must be made in the following round (between September and mid-January) and would be considered along with all the other applicants for admission in that year. There would be no guarantee that a place would be offered in the preferred school.

4.2.7 If the parents request for delayed admission into reception is refused, the submitted application would follow due process in the round for the child's normal age group. After the offer of a place has been made the parent could then still request the allocated school to delay entry, attend part-time within the reception year group or the parent can delay admission to the following year for admission to year 1. The Head Teacher would need to consider each case and make a decision that is in the best interest of the child.

4.2.8 The full policy on applications to admit outside the normal age group for summer born children will be available on the website. 
http://www.southend.gov.uk/info/200176/school_admissions_and_home_education/46/primary_school_admissions

4.2.9 All admission authorities must keep a record of the decision to admit out of normal age group/delay starting school and the record should contain the following and must be provided to the LA for main rounds or on request:
- the parent’s views;
- information about the child’s academic, social and emotional development;
- where relevant, their medical history and the views of a medical professional;
- whether they have previously been educated out of their normal age group;
- and whether they may naturally have fallen into a lower age group if it were not for being born prematurely.
- They must also take into account the views of the head teacher of the school concerned.
4.3 Co-ordination of pupil admissions to Year 3 of Southend junior schools 2019/20

The following paragraphs relate to pupil admissions to Year 3 in primary and junior schools from September 2019 and should be read in conjunction with the full scheme for the co-ordination of pupil admissions to infant/primary schools.

4.3.1 Applications will not be necessary for children moving from Year 2 to Year 3 in their existing primary school as this is a single legal establishment and Year 3 in that case is not a ‘relevant age group’. However, parents of children in Year 2 of an infant school must complete and submit a form of application for their child to be admitted into Year 3 of another school, even if that is the ‘partner’ junior school.

4.3.2 The closing date for completing a common application form for a Year 3 place is 15 January 2019.

4.3.3 The LA will liaise with infant schools in the area with lists of children that have applied to the ‘partner’ junior school. Schools will encourage parents that have not applied for year 3 to apply.

4.3.4 The LA will provide a list of all applications received via common application forms to all junior schools by 9 February 2019.

4.3.5 Schools must rank applications according to their admission criteria and return the ranked list to the LA on the agreed dates (see timetable).

4.3.6 For all applications received by the closing date, from parents of Year 2 children (including children attending year 2 in an infant school), the LA will inform parents of the outcome of that application on 16 April 2019.

4.3.7 There is full co-ordination for admission to year 3 as a normal admission round. This is mainly as there are additional places at Bournes Green Junior School (6 places) and West Leigh Junior School (8 places).

4.3.8 Applications submitted for children that are in the primary school that wish to remain in the same school will be withdrawn and parents will be advised that no application is required.

4.4 Co-ordinated arrangements between the offer date and start of autumn term.

4.4.1 From the offer day until the last week of August SBC will continue to co-ordinate admission arrangements and make all offers on behalf of primary and secondary schools in Southend.

4.4.2 Where parents have refused the offer of the place then the vacant place will be offered in strict order of the waiting list until the place is accepted.

4.4.3 The offer of school places as they become available will continue to be made by SBC.

4.4.4 Once the final list is sent to schools on 22nd August the coordination procedures for reception year, year 3 and year 7 will cease. SBC will continue to administer waiting lists and in-year admissions for all Community and identified Own Admission Authority
schools as agreed. Own Admission Authorities wishing to manage their own waiting lists will do so from 22\textsuperscript{nd} August onwards.

4.5 Year 7 - Under and over age applicants
4.5.1 For admissions into year 7, an applicant is under age if he or she will be under 11 years of age on 31\textsuperscript{st} August immediately prior to admission in September. SBC will only accept applications from under age applicants who have been registered in year 6 of their primary schools from the first day of the school year in which they apply for a secondary school place. This effectively requires that the decision to promote the child to the year group above his/her chronological age group must be taken by the primary school prior to the end of the summer term in the calendar year in which the child applies for a secondary school place. Confirmation of this is likely to be sought from the headteacher of the primary school concerned by SBC.

4.5.2 An applicant is over age if he or she is 12 years of age or over on 31st August immediately prior to admission in September. SBC will not accept over age applicants for year 7 admissions unless there are verified exceptional circumstances for a child to repeat one of the primary school years, for example, extended illness. SBC will seek verification from the headteacher of the primary school concerned that an over-aged applicant has medically certifiable reasons or some other exceptional reason for being an over-aged applicant. SBC will wish to investigate especially thoroughly the circumstances through which any child is found to be studying in Year 6 for the second time, especially if this should involve an application to sit the CSSE selection tests for a second time. Medical evidence will be required for such applicants.

4.5.3 Ideally children should not miss a main round and be admitted to year R, 2 or year 7 outside their usual age group (in-year). Any exceptional decisions made must be well documented and meet the requirements of the School Admission Code in that they are in the ‘best interest of the child’. Once a child, of statutory school age, has started the year and completed at least one term as an out of normal age group, they cannot apply via the coordinated round/main round for a second opportunity to year 6. Admission mid-year to move from year 7 back to year 6 would not be deemed in the best interest of a child due to the disruption and impact on emotional, social and mental health wellbeing.

4.5.4 All admission authorities must keep a record of the decision to admit out of normal age group and the record should contain the following and must be provided to the LA for main rounds:

- the parent’s views;
- information about the child’s academic, social and emotional development;
- where relevant, their medical history and the views of a medical professional;
- whether they have previously been educated out of their normal age group;
- and whether they may naturally have fallen into a lower age group if it were not for being born prematurely.
- They must also take into account the views of the head teacher of the school concerned.

4.6 Overseas applicants – applications from children whose parents are living abroad and do not have a “home authority”
4.6.1 Parents who are living abroad and who wish their child to apply for a Southend school have no “home authority” (through which the regulations stipulate that all applications
should be made). They can nonetheless apply through what is a proxy home authority (i.e. the Council area in which they intend to buy a house or settle the child with relatives). However, although they may apply in this way, no place will be offered until they can provide clear evidence of residency in this Borough and this may include the relevant immigration documents. In addition, proof of the home address/normal place of residence through either a house purchase, through exchange of contracts, or a long term letting agreement. The School Admissions Team would have to be satisfied that the child’s normal place of residence would be at the address provided.

4.6.2 The CSSE will arrange for overseas applicants for year 7 to sit the selection tests overseas under invigilated conditions at an agreed test centre.

4.7 New applications, late applications, changes of preferences and additional applications – for coordination of reception, year 3 and year 7

4.7.1 New applications:

Applications from parents moving into the area, who in the view of the LA could not have made an application by the closing date, will be slotted into the system when received and might be processed after all on time offers are made. These will be regarded as new applications and will only apply for parents that could not have applied on time such as moving into the country.

Exceptional circumstances will be considered at the discretion of the LA. Moving from one borough to another would not normally be considered as an exceptional circumstance without additional circumstantial information.

If parents, that could not have made an application by the closing date but move and are living within the borough before 3rd December 2018 for secondary applications and 1st February 2018 for primary applications, they will be slotted into the system and processed with on-time applications were possible. Any further new applications received after these dates will be considered after the initial allocation of places on offer day.

4.7.2 Change of address/New applications/preferences for secondary, infant, junior and primary schools

Due to the high variations of address policies across the various LAs and own admission authorities, regardless of home LA, addresses for schools in Southend-on-Sea are as per the child’s normal place of residence (address) as at the closing date for Secondary Admissions (31st October), for Infant, Junior and Primary Admissions (15th January). Any addresses after the closing date are updated after offer day for the transfer group (ie. 1st March or 16th April) and the applications ranked accordingly. Parents that could not have applied by the deadlines for the main rounds will be considered under 4.6.1.

4.7.2 Late applications

Applications received after the closing date from those who could have made an application on time, will be regarded as late and will therefore not be considered until all "on time" applications have been considered and the initial allocation of places are notified to parents. SBC will be the final arbiter, under the coordinated scheme, as to whether an application is late or not. Schools should apply their admission criteria to
such late pupils but identification as “Late” by SBC will prevent schools from putting a ranking against these pupils when the full list is sent back to SBC.

4.7.3 Changes in preference

Changes in the order of preferences already expressed will not be accepted after the closing dates unless, the circumstances are deemed to be exceptional and the changes can be accommodated. Changes received after the closing date will be considered after the appropriate national offer date.

4.7.4 Additional preferences

Any additional preferences received after the closing dates will be considered after the offer date.

4.7.5 Southend-on-Sea Borough Council takes very seriously any attempt to gain unfair advantage in the admissions process by giving false information (for example providing a false address). Checks will be made with other departments in the Council and, where it is suspected that the family actually live outside Southend, contact will be made with the relevant Council. Where there is reasonable doubt as to the validity of a home address, the Council reserves the right to take additional checking measures including, in some cases, unannounced home visits. If, after offers of school places have been made, it is established that fraudulent or intentionally misleading information has been provided in order to gain a place at a primary or secondary school, the Council will withdraw any school place offered. If an offer of a school place is withdrawn under these circumstances the application would be considered afresh, (with proof of address or other relevant information) unless a new application form is deemed necessary and the parent advised of their right of appeal to an Independent Appeal Panel (2.12 of the Code).

4.7.6 Changes of address between offer day and the last week of August will be checked by SBC. Parents will need to provide proof of the home address in the form of; a house purchase; exchange of contracts, or a long term letting agreement.

4.7.7 Places can be withdrawn up to the end of December in the situation where an offer is made in error or the application has been found to be fraudulent. Own Admission authorities must inform the LA of any places withdrawn for the coordinated round up to December of each year and vice versa.

4.7.7 Schools must inform the LA of address, sibling or any other discrepancies in ranking lists or in information provided by parents on the enrolment forms post offer day.

4.8 Supplementary Information Forms

4.8.1 In order that they may seek further information to apply their admission criteria, the following schools require parents to complete a Supplementary Information Form (SIF) in addition to the appropriate application form.

4.8.2 The SIFs for year 7 applications for selective places must be returned to the Consortium of Selective Schools in Essex (CSSE), for all rounds of admissions SIFs must be returned direct to the school.

4.8.3 Parents are encouraged to send in the CAF and any SIF as early as possible prior to the closing date. The SIF for selective and aptitude testing will be before the CAF closing date (also refer to sections 4.1.5 and 4.1.6).

4.8.4 All SIFs must clearly indicate that they are not application forms and that the appropriate application form must be completed. SIFs cannot request:

- any personal details about parents and families, such as maiden names, criminal convictions, marital, or financial status (including marriage certificates);
- the first language of parents or the child;
- details about a parent’s, parent’s or a child’s disabilities, special educational needs or medical conditions;
- parents to agree to support the ethos of the school in a practical way;
- both parents to sign the form, or for the child to complete the form (School Admission Code 2014 section 2.4).

4.8.5 Schools must consult the School Admissions Code 2014 sections 1.9 and 2.4 when developing their supplementary information forms.

4.8.6 Schools must be mindful of siblings from multiple births in oversubscription criteria and where possible admit them (e.g. selective, specialist and faith criteria exempt).

4.8.7 Applicants must ‘submit’ online forms. Unsubmitted forms will not be processed. Applicants must have evidence of submitted forms therefore if application forms were posted they must have proof of postage and if applied online they must produce the automatic online receipt.

4.9 Waiting lists
4.9.1 For the reception, year 3 and year 7 rounds of admissions, on offer day SBC will have a waiting list for each Southend oversubscribed school which will exclude any late applicant and late changes in preference. In most cases SBC will be able to rank the pupil from existing information, for example distance. Depending on the admission criteria a new application would then be slotted into the waiting list as appropriate.

4.9.2 SBC will maintain the waiting list as ranked by schools. Where any new pupil, such as a late application, is added to the waiting list SBC should be advised within 10 working days of where such pupils fit in relation to other pupils on the waiting list.

4.9.3 Where a vacancy does arise the place will be offered by SBC to the pupil on top of the waiting list.

4.9.4 A parent of a child at the top of the waiting list offered a place as a result of a vacancy having arisen will be expected to confirm, within 10 working days, whether or not they wish to accept the place.

4.9.5 SBC will maintain waiting lists for all community schools in the Borough for the full school year. Waiting lists for academy, foundation, free school and voluntary aided schools will be maintained by them for at least the autumn term. Waiting lists will be maintained strictly in accordance with the admission criteria of the school concerned.

4.9.6 SBC will delete pupils from the waiting list who are offered and accept a place at a higher ranking school.

4.9.7 Where, as part of the school admissions process, a parent is required to complete a SIF, SBC should be advised by the school within 10 working days of where such pupils fit in relation to other pupils on the waiting list. New pupils will not be added to the waiting list but will be at the bottom of the school list until this information has been provided by the school and the application can be slotted into the waiting list accordingly.

4.9.8 All admission authorities must specify, in their arrangements, the period a child remains on a waiting list for each school year. For main round Reception, year 3 and year 7 it must be at least to Dec of the admission year.

Community school waiting lists are held for the full school year that the application was made. Waiting lists, for all year groups close on the last day of the school year. Parent must reapply for the new school year from the start of the Summer Term if they wish to be added to the waiting list for the next school year.

4.10 Appeals

4.10.1 Parents have the right of appeal against a decision to refuse admission to a school which they had put as a preference.

4.10.2 Parents will be given 20 school days to appeal against the decision to refuse their application for a place at a particular school.

4.10.3 Parents wishing to appeal for a place at any school in the Borough will be advised by SBC to read the on-line appeals information and complete the online appeal form which will be submitted to SBC. Paper copies of the appeals information and form will also be available if required. If the appeal relates to an academy, foundation, free school or voluntary aided school the form will immediately be sent...
to the school concerned for them to arrange the appeal. Appeals for places at community schools will be organised by SBC.

4.10.4 SBC will advise parents wishing to submit an appeal in respect of a school outside the Borough to contact the Local Authority where the school is located to enquire about the appeal arrangements.

4.10.5 Schools will send lists of submitted appeals to SBC. SBC will record the appeal against the admission record and provide the school with all relevant documentation to enable the School to prepare for the appeal.

4.10.6 In accordance with the School Admission Appeals Code, Independent Appeal Panels for community, academy, foundation, free school and voluntary aided schools must consist of:

   a) at least one lay member. Lay members are people without personal experience in the management or provision of education in any school (though it is permissible to use people who have experience as governors of other schools, or who have been involved in education in any other voluntary capacity) and

   b) at least one person with experience in education, who is acquainted with educational conditions in the area, or who is a parent of a registered pupil at a school.

4.10.7 Academy, foundation, free school and voluntary aided schools must inform SBC within 5 school days of the outcome of any appeal. The outcome of any appeal does not mean that the parent will necessarily take up a place as they may have other appeals or may prefer the original place offered.

4.10.8 Having received notification from the school, SBC will contact parents and ask them to confirm in writing to SBC which place they wish to accept following the outcome of any appeals. They will be asked to confirm this within 5 school days of their last appeal. Once a place is released that place will be reallocated.

5. **Annual Review of the Scheme**

5.1 Each year all local authorities must formulate and publish on their website a scheme by 1 January in the relevant determination year to co-ordinate admission arrangements for all publicly funded schools within their area.

5.2 The School Admissions Code confirms that if the Local Authority decides to continue to use the scheme from the previous year, this will fulfill the legal requirement to formulate a scheme. Local Authorities must consult admission authorities for schools affected by the scheme and other Local Authorities every 7 years as a minimum. If the scheme has changed substantially since the previous year, the Local Authority must consult school governing bodies and other admission authorities in the area even if that is less than 7 years since the last consultation.

5.3 A local authority must inform the Secretary of State whether they have secured the adoption of a qualifying scheme by 15 April. If this is not achieved the Secretary of State may impose a scheme.
6. **Council and school duties under the scheme**

6.1 These are set out in the School Admissions (Admission Arrangements and Coordination of Admission Arrangements) (England) Regulations 2014 and schools should refer to these if they have any queries.

6.2 In summary the main duties are:

**Southend Borough Council**
- To forward details submitted on the Common Application Form, together with any supporting information provided by the parent to the school or to any other local authority as appropriate;
- To sort the lists received from schools, or other local authorities, and according to the preference expressed by the parent determine which school place should be offered;
- To forward onto schools information received from other local authorities pupils who have applied to Southend schools;
- To notify schools and other local authorities of the offers to be made;
- To make an offer to parents on national offer day on behalf of schools, including for schools in other local authorities.

**Governing Body**
- To notify Southend Borough Council of any application made direct to the school;
- To determine all applications in line with the school’s admission criteria and to notify the Council of this.

7. **List of schools to which the scheme applies**

7.1 Southend Borough Council is the admission authority for community schools. The governing body is the admission authority for academy, foundation, free school or voluntary aided schools.

8. Definitions

**Academies** – Schools funded directly by Central Government where the academy trust employs the staff and is the admission authority.

**Additional applications** - An application from a parent who has already submitted an application and is requesting an additional school(s). This will normally be after the initial offer of places in March.

**Admissions Forum** – A body comprising of representatives from various groups which advises admissions authorities on admission arrangements in the area.

**Catchment area** – A defined geographical area served by a particular school.

**Changes in preference** - Changes in the order of preferences already expressed (that is not an additional application).

**Community schools** – Schools wholly funded by SBC, where the Council employs the staff and is the admissions authority.

**CSSE** – The Consortium of Selective Schools in Essex – a group of schools that are responsible for the selection test (11+) arrangements. The 10 schools below operate a consortium whereby only one test needs to be taken even though an application is being made to several schools. The schools are:
- Shoeburyness High School
- Southend High School for Boys
- Southend High School for Girls
- St Bernard’s High School
- St Thomas More High School
- Westcliff High School for Boys
- Westcliff High School for Girls
- King Edward VI Chelmsford (Boys) – school in Essex
- Colchester County High School (Girls) – school in Essex
- Royal Grammar School, Colchester (Boys) – school in Essex

**DFE - Department for Education** – Central government department responsible for education matters.

**Foundation schools** – Schools funded by the Council, where the Governing body employs the staff and is the admissions authority.

**Free School** - are state-funded schools normally set up in response to parental demand. They have the same legal requirements as academy schools.

**Late applications** - Applications received after the closing date from those who could have made an application on time.

**National Offer Day** – the day on which all offers of places are made. For year 7 this is on or about 1st March and reception year and year 3 this will be on or about 11th April. In each case if the day falls on a weekend or bank holiday it will be next working day. The offer day will therefore be 1st March 2019 for secondary applications and 16th April 2019 for primary applications.
New applications - Parents who in the view of SBC could not have made an application by the appropriate closing date, for example, when moving into the area, will have their application slotted into the system as and when received. Due to the allocation of places this can only be achieved up to 19th January for secondary applications and 2nd March for primary applications. Any application after that date will be slotted in after offer day.

Non-selective places – school places offered without reference to the selective (11+) procedure.

Normal round of admissions – Under the Southend Coordinated Admissions Scheme, the normal round of admissions refers to admissions to reception, year 3 and year 7 up to 22nd August..

Potential year 7 admissions – All pupils in year 6 in primary schools (whether or not that is their age appropriate cohort) who will transfer to secondary schools in the following September.

Common Application Form (CAF) – the common application form on which parents indicate their preferences

Selective places – places offered at certain schools as a result of the pupils’ performance in the selection (11+) procedure.

SIFs – Supplementary Information Forms – forms on which parents are asked to provide additional information in support of their applications in order to provide more information to enable the school to apply their admission criteria. These are not application forms.

Southend Borough Council (SBC) – In most cases the function of the Council will be undertaken by the School Admissions Team within the Department of People.

Specialist places – School places offered to a small number of pupils at certain schools as a result of an aptitude in certain areas of the curriculum

Voluntary Aided schools – Schools set up and owned by a voluntary body, usually a church body, largely financed by the Council. The governing body employs the staff and is the admission authority.
