

Senior Managers Pay

Terms of the Scheme

Updated January 2018

1. This scheme applies to the Chief Executive, Deputy Chief Executives and Directors.
2. The pay review year will run from 1st April to 31st March.
3. Objectives agreed targets and leadership competencies will need to be in place at the start of each review year on 1st April in order to ensure that staff have a clear idea of what is expected of them.
4. Individuals must be in post at the end of the review year in order to be eligible to receive any agreed pay award.
5. A review of the scheme will be undertaken at the end of each year and changes may be made in the light of this evaluation.
6. A key date checklist is attached (Appendix A).
7. The scheme seeks to measure the achievement of objectives and actions within target dates. It also measures the behaviours/values that are brought to the working environment by the individual through the use of the Council's Leadership competency framework and the Council's values.
8. The objectives need to be clearly defined and actions need to have a time and quality indicator in order to ensure that individuals can evidence their performance through showing what they have achieved by the end of the review year. The objectives/targets set must be SMART (Specific, Measurable, Achievable, Relevant and Timebound) and will be independently verified by the senior managers pay Panel to ensure consistency across the organisation. Objectives may be reviewed during the year if circumstances change. Some objectives will be standard and will be around **for example** equality and diversity, health and safety and ensuring that individuals act within agreed policy, e.g. financial regulations.
9. The required leadership competencies and adherence to the Council's values also need to be demonstrated and will count towards the assessment of overall performance. The Leadership competency framework must be used. The measures within the framework can be amended to best fit the nature of the job but must be agreed with the line manager.
10. The scheme provides for a mid-year review of performance normally in October, in order that progress can be monitored and if there are development areas required these can be addressed within the Personal Development Plan.

11. The Performance Management and Development Framework principles will apply but separate documentation has been developed and must be used in order to ensure consistency of approach across the organisation.
12. For new recruits previous experience and existing salary level will be used to determine if an individual is placed on the 'rate for the job' or the 'development rate' appropriate to the grade.
13. Individuals must be at work and working subject to the pay scheme for a minimum of 4 months in the performance year in order to be eligible for an annual pay award at the end of the review year.
14. Individuals must be in post at the end of the review year in order to qualify for an annual pay award.
15. Individuals deemed as less than satisfactory within this scheme will not receive an annual pay award for that particular review year. In these cases, performance issues should be addressed through other mechanisms e.g. capability procedures.
16. Staff subject to this scheme will cease to have a contractual entitlement to NJC pay awards as the Council will no longer be part of the national machinery for pay bargaining for staff within the Senior Manager Pay Scheme. All other terms and conditions of service remain within NJC unless otherwise stated in contractual documents and amendments.
17. Grades are determined by the relevant job evaluation scheme.
18. All payments, including annual pay awards, are superannuable.
19. Pay awards will be considered annually by the Senior Managers Pay panel having regard to:
 - a) Any national pay award agreed for the rest of the workforce.
 - b) Financial situation within the Council
 - c) Organisational, department, service and individual performance.
 - d) The prevailing situation in the labour market and its impact on salaries regionally and nationally, and the Council's ability to recruit and retain Senior Managers.
20. Following the assessment interview the documentation will then need to be signed by the individual member of staff, manager and relevant portfolio holder. If there is disagreement over any aspect of the narrative, then this must be highlighted for the panel who will act as final arbitrators.
21. The scheme is applied as set out in the grid below.
