

Southend-on-Sea Borough Council

Development Control Committee 7th November 2018

SUPPLEMENTARY INFORMATION

Page 115

18/01606/FUL 149 Kingswood Chase

1. The Proposal

1.13 The application falls to be determined by the Development Control Committee at the request of Cllr Dear.

7. Representation Summary

Public Consultation

7.5 A further letter of objection which disputes points made in the applicant's planning supporting statement and is summarised as follows:

- There are 13 bungalows in Kingswood Chase. 5 with rooms in roof
- The proposal is out of character
- The site is not close to the centre of Leigh
- Plot not large enough to accommodate 3 dwellings. This is crammed infill development.
- Increases traffic congestion.
- 2 properties more appropriate.
- This is not "affordable" housing.
- Poor development including large crossovers elsewhere should not set a precedent.
- Proposal would exacerbate parking and safety issues relating to narrow width and use of the road as a 'rat run'. Damage to verge and harm to amenities of residents.
