What some customers said about PEL equipment:

“ We have PEL Products installed for a number of years, our hotels have saved on disposal costs, labour costs, tidier back of house, quality trouble free machines. ”

Niall Kelly, Rezidor Hotel Group

“ We recently installed the PEL High Density balers. The balers have increased our recycling rates and made it easier to manage our cardboard and plastic waste. This has improved efficiency on the factory floor. ”

Ger Murnane, Baxter Healthcare

▲ PEL Waste Reduction Equipment partner with our clients to reduce waste disposal costs.

▲ We offer a **one - stop - shop** that guarantees to reduce waste disposal costs.

“ Thelinor Ltd purchased a PEL Mill Size Baler. They are saving thousands of euro per year on waste costs and are recycling all of their cardboard and plastic. ”
