Delivering the internal audit service involves:

- audit planning and resourcing
- managing Audit Plan delivery which includes overseeing contractor work
- reporting to senior management and the Audit Committee.

Implementing the outstanding actions arising from the external quality assessment undertaken by the Institute of Internal Auditors undertaken in October 2017.

|     | Risk Watch List   |
|-----|---|
| PE  | The effectiveness of the Children's Services Quality Assurance and Practice Framework               |
| PE  | Adherence to terms and conditions of the Early Years grant funding (advice and support 2019/20)     |
| PE  | Delivery of outcomes from the block contract with Southend Care                                     |
| PE  | Monitoring the delivery of outcomes for older people placed in residential care                     |
| PE  | Implementation of the Special Education Needs Inspection Action Plan                                |
| PE  | Essex Partnership University NHS Foundation Trust S75 Agreement                                     |
| F&R | Counter Fraud and Investigations delivery against the Service Level Agreement with Thurrock Council |
| PL  | Management of the ICT Liquid Logic and / or Logicalis contract                                      |
| PE  | Delivery of outcomes from the Locality delivery model in Adult Social Care                          |
| PL  | Environmental Health  |
| Т   | Payroll revisited   |
| PE  | Vibrance contract management revisited  |
| Т   | Governance architecture for service delivery  |
| F&R | Implementation of the automated P2P new supplier process (advice and support 2019/20)               |

These are other potential audits that may be considered for inclusion in the Audit Plan during the year should resources permit.

| Audit Activities                    | Resource allocation |
|-------------------------------------|---------------------|
|                                     |                     |
