

Annual PH Report 2018-19 - Key Recommendations' Implementation Plan

Recommendations	Progress
[1] Reducing the impact of cardiovascular conditions and diabetes and improving related prevention work:	
R1.1 Develop an agreed locality approach to improve earlier identification of Stroke and Diabetes, ensuring reduced variability in access to primary care services;	Engagement with Primary Care Networks (PCNs) during Sept to agree approach. Local delivery of National Diabetes Prevention Programme (Healthier You) awarded on 1st April.
R1.2 Improve the management of patients at risk of stroke and those afflicted with diabetes, including the use of digital technology as appropriate, and delivery of the Diabetes Strategy;	<i>Local steering group reviewing interventions.</i>
R1.3 Increase referral to the new Wellbeing Service to reduce and/or better manage lifestyle risk factors and implement the Harm Reduction Strategy (HRS) as a key enabler.	New Wellbeing Service in place on 1st June; a wider offer for the Exercise Referral scheme is being developed following engagement with the PCNs to include swimming and lower impact activities; We are developing a shared approach with the Social Prescribing service which is key to its successful implementation. The HRS Implementation Plan is in place.
[2] Improving community safety and building resilience, with a particular focus on our children and young people:	
R2.1 Develop a programme of work that will provide for, and link into, a range diversionary activities and avenues for vocational development. This will include local apprenticeships to make young people safer, provide skill development and job opportunities and to have a healthier outlook on their lives;	<i>tba</i>
R2.2 Build on the work already in progress across Greater Essex and regionally, to reinvigorate the local partnerships (Community Safety and Violence and Vulnerability groups) to disrupt the local drug market and to eliminate the criminal exploitation of young people and vulnerable adults in our communities;	An extensive drug market data mapping is being undertaken across SET

<p>R2.3 Undertake a deep-dive on local teenage conceptions to understand local determinants and triggers, including the link with child sexual exploitation, local opportunities for young people to promote a delaying approach to parenthood.</p>	<p>This review is under way with the first highlights being shared at the HWB Board in Sept 2019. The final report with recommendations will be brought to the Dec 2019 HWB Board.</p>
<p>[3] Ensuring that spatial planning incorporates health and wellbeing impacts, and delivers what residents will need to promote their health and wellbeing:</p>	<p style="background-color: #cccccc;"></p>
<p>R3.1 Adopt new evidence on spatial planning, including the adoption of the PHE/Sports England's Active Design principles, making it a requirement on developers to undertake a Health Impact Assessment where most relevant and review the barriers inhibiting local access to our physical assets;</p>	<p><i>tbc</i></p>
<p>R3.2 Our housing renewal policy must take into consideration the need for more affordable housing which espouses a mix of social housing, adaptable homes which will ensure that the adverse health effects are mitigated, promote local ownership and more affordable rent, and support the drive to increase prosperity;</p>	<p><i>tbc</i></p>
<p>R3.3 Accelerate our local undertakings in improving local transportation to further reduce the risk of pollution and traffic congestion, and promote active travel.</p>	<p>A number of proposals are being developed under the Southend 2050 banner, to align to existing schemes across the local partnership.</p>
