

Appendix 3 – Items Not Agreed to be Progressed

Item	Findings	Recommendation	Costs (estimated)
Introduce parking bays on the soft verge area on Chancellor Road	Uneconomic proposal; civil works would provide 3 to 4 spaces and would cost in the region of £5k and removal valuable green space.	Not to progress	N/A
By the coach bay near the Pier	The area suggested is now marked out as a bus stop and is used by the open top bus during the summer months. No opportunity for additional parking	Not to progress	N/A
Provide parking on the area opposite Electric Avenue on Marine Parade	There are road safety issues with this proposal; to enter and leave the area would require vehicles to cross a shared use pedestrian / cycleway	Not to progress	N/a
