Speed Camera on Eastern Avenue

Along the stretch of dual carriageway on Eastern Avenue there has been a history of accidents along this stretch of road. We have seen residents walls knocked down, cars written off and constant excessive speeding.

Urgent action needs to be taken to try and control the excessive speeds on this stretch of dual carriageway and protect those residents whose lives are being put at risk by this antisocial and dangerous behaviour. Acknowledging that a static speed camera would not be affective along the whole stretch of road, we seek a solution that would be affective and works for all the affected residents.

This Council therefore resolves that it should:

1. Install average speed cameras along the stretch of dual carriageway along Eastern Avenue between Hamstel Road and Sutton Road immediately.
