Notice of Motion

Water Fountains & Water Bottle Refill Points

Single use plastics cause considerable harm to the environment and contribute to the litter problem on our beaches and open spaces. We also note the damage that plastics cause to our seas and marine life. To help reduce single use plastics:

This Council therefore resolves that it should:

1. Promote existing water fountains and water bottle refill points.
2. Extend the provision of water fountains and water bottle refill points in public areas.
