

**To Full Council**

**Notice of Motion**

**Cycling Strategy**

We recognise the importance of cycling in improving the mental and physical wellbeing of residents and for improving the air quality of the town. We also recognise and support the Government's commitment to increase the amount of active travel.

We note that in the recent Council active travel bid to Government that the Council does not have a Cycling Strategy and note that the proposed Transport Policy going through Council at the moment does not include the need for Cycling Strategy.

**This Council therefore resolves that it should:**

1. Generate a comprehensive strategy to increase the uptake of cycling and make cycling safer in our borough.
