Notice of Motion
Tyre Pump Stations

We recognise the importance of cycling and walking in improving the mental and physical wellbeing of residents and for improving the air quality of the town and support the Government's commitment to increase the amount of active travel.

To assist active travel, there needs to be improved infrastructure. As part of the infrastructure, there is a need for cyclists and users of wheelchairs and pushchairs on occasions to require the use of a pump to inflate their tyres

This Council therefore resolves that it should:

1. Install communal bike pumps, similar to those seen in cities such as Portsmouth, in areas such as our segregated cycle lanes and high footfall areas to allow for cyclists and users of wheelchairs and pushchairs to inflate their tyres.
