Conversion of Twenty One Site into Cycle Hub and Cafe

We recognise the importance of cycling in improving the mental and physical wellbeing of residents and for improving the air quality of the town. We also recognise and support the Government's commitment to increase the amount of active travel.

We also recognise that currently the organisation designed to increase the uptake of cycling, ForwardMotion, does not have a public base in the town and the importance of 'Coffee Culture' in the culture of amateur cyclists.

This Council therefore resolves that it should:

1. Convert the Twenty One site along Western Esplanade into a Cycling Hub for Forward Motion to use as a base to include cycle hire facilities as well as bike repairs and sales.
2. Incorporate a Coffee shop within the facility to increase the appeal of the facility and encourage cycling along the length of our seafront.
