

Park

The contractor is to check all levels of building and the dimensions, levels, and sewer level levels of connection points before work starts. This drawing must be read with and checked against any drawings or other documents showing proposed, existing or current levels based on the drawing set to be read in accordance with BS2600:170 prior to commencement of work. The contractor is to comply in all respects with the current Building Regulations whether or not specifically stated on these drawings. This drawing is not intended to show details of foundations or ground conditions. Each area of ground shall open to suggest the structure depicted must be investigated by the contractor and suitable methods of foundations provided. This drawing is to be supplied in conjunction with all other drawings of the project and shall be read in conjunction with the specifications and documentation. STONE ME ARCHITECTURE LTD reserves the right to withdraw any drawings from any applications or tenders should disputes arise between the client and STONE ME ARCHITECTURE LTD. This drawing remains the copyright of STONE ME ARCHITECTURE LTD and cannot be reproduced without prior permission.
