

Southend-on-Sea Borough Council

Agenda
Item No.

Report of Executive Director
(Neighbourhoods & Environment)

to

**Traffic Regulations Working Party
and Cabinet Committee**

on

10th June 2021

Report prepared by Sharon Harrington,
Head of Traffic Management & Highways Network

Update on Outstanding Schemes per Ward

**Cabinet Member: Councillor Woodley
Part 1 Public Agenda Item**

**Traffic and Regulation Working Party - Cabinet Member: Councillor Woodley
Part 1 Public Agenda Item**

For Information Only

1. Purpose of Report

- 1.1. To update the Traffic Regulations Working Party and the Cabinet Committee on the progression of traffic regulation order requests in respect of various proposed waiting restrictions and schemes by Ward.

2. Recommendation

- 2.1. For information.
- 2.2. To inform the service area by email to traffweb@southend.gov.uk if there are any schemes missing or to add new scheme requests.

3. Background

- 3.1. To update the members of the current work programme

4. Scheme update

- 4.1. An update on the current schemes by Ward is shown in Appendix 1.
- 4.2. Crosby Road
- 4.3. The Traffic Regulations Working Party and Cabinet Committee at its meeting on the 24th February 2020, considered an objection to the proposed introduction of limited waiting restrictions operating between 1pm and 3pm Monday to Friday in Crosby Road, Westcliff-on-Sea.

- 4.4. The Committee agreed to progress the scheme under an experimental traffic order and the Notice of Making for the experimental Order was advertised in late 2020. A challenge to the validity of the Order itself was received and after discussions with the Council's legal team the order was revoked pending re-advertisement.
- 4.5. The Committee at its February 2021 meeting agreed to the scheme being readvertised in late May 2021 with Ward Councillor agreement. The Notice of Proposal of the permanent traffic Order will allow a 21-day objection period. Any objections will be considered against the Statement of Reasons and subject to there being no objections or objections being overruled, the scheme will be potentially implemented in the third quarter of the current financial year.
- 4.6. The Statement of Reasons for Crosby Road is shown at Appendix 2.

5. Corporate Implications

5.1. Contribution to the Southend 2050 Road Map.

Ensuring traffic flow and parking is managed while maintaining adequate access for emergency vehicles, general traffic flow, improved sightlines at junctions and accesses and to maximise the turnover of spaces and available parking at the various locations. This is consistent with the Council's Vision and Corporate Priorities of Safe, Prosperous and Healthy.

6. Financial Implications

- 6.1. Costs for implementation and processing the traffic regulation orders/schemes, if approved, will be met from capital funding that has been agreed for the provision of waiting restrictions.

7. Legal Implications

- 7.1. The statutory consultative process for traffic regulation orders will be followed. Any objections received will be responded to by the service area. Elected Members will be included in the circulation of the Notice of Proposal and any comments received will be considered as part of the statutory consultation process.

8. People Implications

- 8.1. Works required to implement the agreed schemes will be undertaken by existing staff resources.

9. Property Implications

- 9.1. None

10. Equalities and Diversity Implications

- 10.1. Any implications will be considered in designing and implementing the schemes.

11. Risk Assessment

- 11.1. The proposals will be designed to improve highway safety and traffic flow and as such are likely to have a positive impact by reducing accidents.

12. Value for Money

- 12.1. Works associated with the implementation of schemes will be undertaken by the Council's term contractors, selected through a competitive tendering process to ensure value for money.

13. Community Safety Implications

- 13.1. The proposals if implemented are likely to lead to improved community safety.

14. Environmental Impact

- 14.1. There will be no significant environmental impact resulting from the advertising of traffic regulation orders.

15. Background Papers

- 15.1. None

16. Appendices

- 16.1. Appendix 1** –Current Status of Schemes by Ward (Scheme Update – May 2021)

- 16.2.** Appendix 2

Appendix 1 – Scheme Update – May 2021

Scheme Number	Date Received	Road/Location	Ward	Proposed Works	Current Status	Notes

Appendix 2 – Statement of Reasons - Crosby Road

Statement of Reasons for Proposed waiting restrictions on Crosby Road, Westcliff-on-Sea

The Council's Traffic Regulation Working Party and Cabinet Committee at its meeting on the 22 February 2021 authorised the advertising of traffic orders for the introduction of waiting restrictions on Crosby Road in late May 2021.

The Council has the power to make traffic regulation orders under section 1 of the Road Traffic Regulation Act 1984 and to implement them following the procedures set out in the Local Authorities' Traffic Order (Procedure) (England and Wales) Regulations 1996.

The purpose of the proposals is to introduce part-time waiting restrictions operating from 1pm to 3pm on Monday to Friday inclusive on sections of Crosby Road for the purpose of:-

- a) avoiding danger to persons or other traffic using the road and preventing the likelihood of any such danger arising;
- (b) facilitating the passage on the road of traffic;
- (c) facilitate access to driveways, and
- (d) preserving or improving the residential nature of Crosby Road by restricting non-residential parking.
