Schools Appeals Panel Members

Schools Appeals Panel (Admissions and Exclusions) members shall be entitled to receive travelling and subsistence allowances payable at the same rates that are applicable to elected Councillors and Officers.

Members' Allowances – Other Terms and Conditions

1. The Basic Allowance includes:

- A sum for in-Borough travel and subsistence;
- The reasonable use of the internet – see paragraphs 10.2 and 20.2 of the Internet and Electronic Mail Code of Practice and Minute 71 of Economic Scrutiny Committee 10th July 2001; and
- The cost of postage, stationery and minor items of office equipment (not printing cartridges and paper).

2. Other Facilities

In addition to Councillors' Allowances, the Council provides various facilities to Councillors in order that they may carry out their duties effectively. These include computer equipment and telephone facilities and business related call charges.

The Council also offers all elected Councillors a free car park pass for use in any Council "Pay and Display" controlled parking zone, provided the pass is used solely in connection with undertaking official duties on behalf of the Council. Elected Councillors must sign a declaration confirming that they will abide by the conditions of use. Any breach of such conditions will result in the pass being withdrawn.

3. Pensions

Elected Councillors are not entitled to join the Local Government Pension Scheme by virtue of the LGPS (Transitional Provisions Savings & Amendment) Regulations 2014.

4. Implementation of the Scheme

The Joint Independent Review Panel (JIRP) recommended that this revised scheme be applied from 1st August 2019.

5. Forgoing Allowances

Regulation 13 of the Local Authorities (Members' Allowances) (England) Regulations 2003 provides that a Councillor may, by notice in writing given to the Proper Officer of the Authority (Chief Executive), elect to forgo his entitlement or any part of his entitlement to allowances.

6. Indexation

This scheme comes into effect on 1st August 2019 and is subject to Indexation as follows:

(a) Basic Allowance, SRAs and Co-optees Allowances

Indexed to the annual percentage salary increase for local government staff (at spinal column 49) to be implemented from the start of the municipal year, rather than financial year, for which year it is applicable. The first date for indexation is therefore May 2020.

(b) Mileage Allowance

To be updated by reference to the rates which apply to officers (HMRC rates).

(c) Subsistence Allowances

The day subsistence allowance and overnight subsistence allowances should be indexed to the same percentage increase that may be applied by the Council to Officer day and overnight subsistence rates.

(d) Dependants' Carers' Allowance

Child Care rates – indexed to National Living Wage.

7. Questions and Interpretation

All questions about the interpretation and application of the Councillors' Allowance Scheme should be referred to the Head of Democratic Services.
