## **1. Purpose of Report**

- 1.1 To submit the treasury management policy for 2022/23 to Audit Committee for scrutiny before approval by Council as part of the annual budget process.

## **2. Recommendation**

- 2.1 **That Audit Committee scrutinises and offers comments on the treasury management policy which comprises the following three documents:**

- **Treasury Management Policy Statement for 2022/23;**
- **Treasury Management Strategy for 2022/23;**
- **Annual Treasury Management Investment Strategy for 2022/23.**

## **3. Background**

- 3.1 The treasury management policy is agreed in advance of the year to which it relates. The policy is then monitored regularly and is updated, as appropriate, to reflect changing circumstances and guidance.
- 3.2 At its meeting of 13 January 2010 the Audit Committee agreed a report on the implementation of the revised CIPFA (Chartered Institute of Public Finance and Accountancy) Treasury Management Code of Practice. One of the recommendations of the code is that the treasury management policy should be

scrutinised in detail by a specialist committee, before being accepted by the authority.

- 3.3 At its meeting of 25 February 2010 Council amended the terms of reference of the Audit Committee to include scrutiny of the treasury management policy. From April 2010 onwards, the Audit Committee has been responsible for ensuring its effective scrutiny.
- 3.4 In compliance with the CIPFA Treasury Management Code of Practice the Council's treasury management policy comprises:
- the Treasury Management Policy Statement;
  - the Treasury Management Strategy;
  - the Annual Treasury Management Investment Strategy.
- 3.5 Since their approval by Council in February 2021, these documents for 2021/22 have been updated. The benchmark against which in-house investment performance is measured has been changed from 7-day LIBID to SONIA (Sterling Overnight Index Average) with effect from 1<sup>st</sup> January 2022.
- 3.6 The purpose of the Treasury Management Policy Statement is to set out the scope of the Treasury Management function, the policy on borrowing, debt restructure, investments, delegation and management of risk. The proposed Treasury Management Policy Statement for 2022/23 is attached as **Appendix 1**.
- 3.7 The purpose of the Treasury Management Strategy is to set out how the budgeted financing costs can be achieved. It covers the prospects for interest rates and the strategy on borrowing and debt restructuring. The proposed Treasury Management Strategy for 2022/23 is attached as **Appendix 2**.
- 3.8 The purpose of the Annual Treasury Management Investment Strategy is to set out the investment objectives and the policies on the use of external fund managers, on the investment of in-house managed funds and on the use of approved counterparties. The proposed Annual Treasury Management Investment Strategy for 2022/23 is attached as **Appendix 3**.
- 3.9 Appendices 1, 2 and 3 together form the treasury management policy and are used on a daily basis for the effective running of the treasury management function.
- 3.10 In response to the on-going economic, regulatory and financial market conditions, and in consultation with our treasury management advisers, the treasury management policy has been updated for the 2022/23 financial year. The changes from the 2021/22 policy are shown in **Appendix 4**.
- 3.11 The policy and strategy documents are written in order to provide officers and advisers with clear boundaries within which to work but as a result they are written using technical language. Treasury management training has been offered to all councillors to aid understanding of the issues and further training will be available in the future.
