<b>1200 Proficiency and Due Professional Care</b>		
<b><i>1230 Continuing Professional Development</i></b>		
Continue with the recruitment programme for professional audit staff.	<p>Further changes to the team during 2021/22 mean there are six vacant posts, the salaries of these are currently being used to fund audit resource brought in from suitable accountancy firms to assist with delivery of the audit plan.</p> <p>The expected requirements of the internal audit service into the future continue to evolve and the impact of Covid-19 is causing further deliberations to take place both at an industry and local level. This continues to be monitored and assessed to determine the most appropriate team model utilising the financial resources available. Once the current team resourcing and integration activities are complete, revised arrangements will be implemented to provide an appropriate mix of experienced staff, trainees who will be put through a relevant training programme and externally sourced skills. This will enable the team to deliver the internal audit service required by the organisations that it serves.</p>	HoIA, Ongoing
