Relevant Scrutiny Committee(s): People Scrutiny Committee, Place Scrutiny
Committee, Policy and Resources Scrutiny Committee
Cabinet Member: Councillor S George
Part 1 (Public Agenda Item)

1. Purpose of Report

- 1.1 To present the final report of the In-Depth Scrutiny Project for 2021/22 – 'Enabling Councillors to be Effective.'

2. Recommendations

- 2.1 That Cabinet approve the recommendations arising from the in-depth scrutiny project, detailed at Paragraph 12 of the attached report.
- 2.2 That the budget implications arising from the recommendations of the in-depth scrutiny project be considered as part of current and future years' budget processes prior to implementation.

3. Background

- 3.1 At the cycle of meetings in July 2021, the Place Scrutiny Committee (Minute 107), the People Scrutiny Committee (Minute 116) and the Policy and Resources Scrutiny Committee (Minute 134) each agreed that a single joint in-depth scrutiny project be undertaken on behalf of the three committees during the 2021/22 municipal year on the theme of 'Enabling Councillors to be Effective', as part of the respective scrutiny work programmes for the year. The project plan and work programme for the in-depth scrutiny project were agreed by the committees during the cycle of meetings in September 2021.
- 3.2 The project was led by a member Project Team for which appointments were agreed by the Council at its meeting on 15 July 2021. The Project Team comprised the following members: Councillors B Beggs, K Buck, T Cowdrey, K Evans, A Line, J Moyies, D Nelson, I Shead and A Thompson. Councillor J Moyies was appointed Chair of the Project Team at its meeting on 19 August 2021.

- 3.3 The Project Team was supported by relevant officers including S Meah-Sims (Interim Executive Director (Strategy, Change and Governance)), T Row (Principal Democratic Services Officer) and S Tautz (Principal Democratic Services Officer/Project Co-ordinator). Other officer support was provided in respect of specific elements of the in-depth scrutiny project:
- 3.4 Progress with regard to the joint in-depth scrutiny project was achieved throughout the 2021/22 municipal year, including the development of an action plan, a comprehensive work programme and the receipt of relevant presentations. Although the progress of the project was delayed slightly as a result of the unfortunate local events that occurred in October 2021, efforts were made to ensure that the timescale for the delivery of the project was maintained and that the project was completed by the end of the 2021/22 municipal year.
- 3.5 The draft final report and recommendations arising from the in-depth scrutiny project were agreed by each of the scrutiny committees during July 2022. In considering the recommendations of the project that concerned the enhancement or development of digital systems, the scrutiny committees were advised that the corporate commitment of the Council to ensure that its services were fully inclusive would be maintained and that alternative means of contacting the authority would continue to be offered where digital systems might exclude residents and service users.
- 3.6 In accordance with Scrutiny Procedure Rule 10 (Part 4 (e) of the Constitution), the report and recommendations of the in-depth scrutiny project would normally be presented to the Cabinet by the chair of the relevant scrutiny committee. As the scrutiny project for 2021/22 was undertaken jointly on behalf of each the three committees, each scrutiny committee has agreed that the report and recommendations arising from the project should be presented to the Cabinet by Councillor J Moyies as Chair of the Project Team.

4. Recommendations

- 4.1 In accordance with Scrutiny Procedure Rule 10 (Part 4 (e) of the Constitution), the report of the in-depth scrutiny report is attached at Appendix 1 for approval by the Cabinet.
