1. Question from Councillor Woodley to the Leader of the Council

Question

In the document 'Budget Savings and Income Generation Initiatives at reference SOC-09 it is shown that savings of £60k can be achieved by 2024/25. To achieve this objective, consultation with the bowls clubs will be essential. When will discussions start and what process does the Council plan to adopt?

Answer

Further to agreement by the full Council, it is anticipated that discussions will commence via the Bowls Circle and with individual bowls clubs, depending on specific needs, as soon as possible. The process will be open and transparent, and the Park Department will work with the bowls community to ensure the outcomes are achieved.
