

SAFETY, HEALTH AND ENVIRONMENTAL INFORMATION

In addition to the hazards/risks normally associated with the types of work detailed on this drawing, note the following significant residual risks:

| | |
|-------------------------------|---|
| Construction | Existing Undertakers. The positions of Existing Undertakers assets and services have been based on information obtained from records and confirmed by ground penetrating radar. All must be regarded as approximate until confirmed by excavation. See Special Requirements section in Appendix 1/16. |
| Maintenance / Cleaning | NONE |
| Use | NONE |
| Decommissioning / Demolishing | NONE |

Replace rebound bollard with blank faced bollard
