

Petition: Keep Pupils Safe at Darlinghurst Primary School

Prayer of the Petition:

We the undersigned ask that Southend Borough Council helps keep the pupils of Darlinghurst Primary School safe by:

- a) Putting in place a school crossing patrol and/or zebra crossing outside of the school on Darlinghurst Grove, to enable children to cross more safely; and

- b) Increasing patrols of civil enforcement officers, the CCTV vehicles and police presence at either end of the school day, to enforce compliance with the school keep clear markings.
